The following petition being presented to the Court it is ordered that the said notes of Red Oak Grove School District be changed to read as follows:-

To the Honorable Commissioners Court of Sabine County:

We the undersigned partons and free holders of the Red Oak Grove School District, Respectfully ask your honorable Court to make the following changes in the boundary lines of the Red Oak Grove School District, as follows to wit:

Beginning at or near the N.W. corner of the J.J. Mattox old place, and thence South along the East boundary line of the Cummings Singleton tract to the N.E. corner of the S.F. Hankla 22-acre survey. Thence West along the North line of said survey between S.F. Hankla and Jack Earles to the N.W. corner of said S.F. Hankla survey, so as to include his premises and improvements. Thence South to the Milam and San Augustine road.

Thence West along said road to the corner of S.F.Hankla and E.A.Blount on said road. Thence in a South Westerly direction along the said S.F.Hankla North boundary line to his N.W. corner. Thence down his S.W. boundary line to where said line intersects the West boundary line of J.J.Hankla. Thence along said J.J.Hankla line to his S.W. corner, including the 75 acre survey allotted to E.R.Meador. Thence South to the S.W. corner of the E.R. Meador 75 acre survey, intersecting the North boundary line of the Rosevine and Chappel School District. Thence East along the line of said 75 acre survey to the corner of the Fuller survey. Thence South down the line of S.J.Meador to the intersection of the line of the Gus Cotton place. Thence East along the S.E. line of the said S.J.Meador to the Laboneala Creek. Thence down the creek to the S.W. corner of the F.M.Errington tract. Thence along the S.E. line of the F.M.Errington survey to his S.E. corner. Thence South along the line of the Bill Weathered tract on his East boundary line to the intersection of the J.A. Scurlock tract, known as the Bill Gasby tract of land. Thence East along the said South boundary of the J.A. Scurlock tract of land to his S.E. corner, same being the S.W. corner of the Alfred Canton tract of land. Thence East along his South boundary line to his S.E. corner. Thence in an Easterly direction to the S.E. corner of the Geneva Independent School District. Thence North along the West boundary line of the Geneva Independent School District to the place of beginning.

We further ask that your Honorable Court grant us the privilege of becoming patrons of the Geneva Independent School District, for the following good and sufficient reasons to wit:

First: Because it is very inconvenient for us to send to the Red Oak Grove School, because it is more than four miles from the Southern portion of the District to the School house, the house being situated in the extreme Northern part of the District, and we can get to the Geneva School house on an average of about one and one half miles, and for the reasons stated, we desire to be taken out of the Red Oak Grove District and placed in the Geneva District.

Respectfully submitted.
