

The honorable commissioner court in and for Sabine County, Texas, met in special session, March 23rd, 1931, with the following members present, to-wit: R. H. Dent, County Judge, E. J. McGown, Commissioner of Precinct No. 1, N. E. McDaniel, Commissioner of Precinct No. 2, W. R. Low, Commissioner of Precinct No. 3, J. E. Minton, Commr. of Precinct No. 4, Mrs. Berta Harper, County Clerk, and E. B. Smith, and transacted the following business, to-wit:

It is ordered by the court that Warrant No. 1157, in the amount of \$127.14, issued to Temple Lumber Company, December, 8th, 1930, be cancelled, and that duplicate in lieu thereof, be issued in the same amount, said order being made upon the guarantee of the Company, through its treasurer, that the county would not suffer loss on account of reappearance of the warrant.

Upon consultation with the President and Cashier of First National Bank, it was learned that the bank would not be able to carry any script on either Road & Bridge or General County

fund this year. In view of which fact the following resolutions was passed:

Whereas, both the cash and credit in the general County fund and the Road and Bridge Fund, are unavoidably exhausted. And whereas, all county officers whose salary is payable out of said fund are totally deprived of same and; whereas, the Permanent Improvement fund has a credit of from 7 to 10 thousand dollars with no bonded obligations;

Therefore, it is ordered by the court that County officers salaries to-wit: District Clerk, County Judge, County Clerk, Sheriff, County Agricultural agent and Tax Assessor be paid out of the P. I. Fund, as long as the above credit lasts. This order being based on the reason, first, that county officers must have pay, second, that the general county fund must have relief.

The County Depository having promised to carry script in the Jury and Permanent Improvement fund up to the amount collected, the previous year it is ordered by the court that 7% interest be allowed for such script for the length of time it is carried. The County Treasurer is instructed to take up script in the Permanent Improvement fund as far as cash on hand will permit except that in Road and Bridge and General County, fund he is instructed to hold the cash in those funds pending the result of the decision with reference to County Warrants as rendered by the United States Circuit Court of Appeals for the Fifth District No. 5980, County of Shelby, Texas, et al., vs. The Providence Savings Bank and Trust Company.

No further business coming up at this time court is declared adjourned.

By R. H. Dent,
County Judge.
