

The State of Texas  
County of Sabine

On this the 11th day of April, 1932, the Commissioners' court of Sabine County, Texas, was convened in regular session at the April regular term thereof, the county Judge, and all of the County Commissioners and the County Clerk being present, when among other business, transacted the following order was passed by a vote of 4 votes for its passage, to 0 votes against its passage, to-wit:

Whereas, there are certain General County Scriptor warrants outstanding and unpaid which are a legal charge against Sabine County, and this court having had under consideration the advisability and necessity of extending the time of payment and issuing in lieu thereof, interest-bearing time warrants; and it appearing to this court that in the issuance of each of the warrants; hereinafter described, or in the issuance of warrants in lieu of which the warrants hereinafter described were issued, evidencing the expenditure of Two Thousand (\$2000.00) dollars or more, the contract furnishing the basis for such expenditure was first submitted to competitive bids, after prior notice by publication as required by Chapter 177, Acts of the Regular Session of the 38th Legislature, except where any one of said warrants represents the aggregate amount of separate and independent contracts of purchase of materials and the performance of labor, such warrants being issued to cover the aggregate total; and it further appearing to this court that in the issuance of each of the warrants hereinafter set forth evidencing the expenditure of less than Two Thousand (\$2000.00) dollars, and more than Five Hundred (\$500.00) dollars, the contract furnishing the basis of said expenditure was first submitted to competitive bids, and said contract was awarded upon competitive bids in each instance, at a regular term of the court except in those instances where said warrants represent expenditures for work done under the immediate supervision of the commissioners' court and to be paid for by the day.

And it further appearing affirmatively to the court that all of said indebtedness was incurred before May 21, 1931, the date on which the Bond and Warrant Law of 1931 became effective.

And it further appearing to this court that it is necessary and advisable to issue Funding Warrants for the purpose of funding said outstanding scriptor warrants and issuing to the holders thereof interest-bearing time payment warrants, and it further appearing that after appropriating a sufficient tax to pay the principal and interest of said warrants as they mature, there will be sufficient funds to provide each year for the ordinary current expenses of the county;

Therefore, be it ordered by the Commissioner's court of Sabine County, Texas: That warrants of said County, to be denominated "Sabine County Funding Warrants" be issued under and by virtue of the Constitution and Laws of the State of Texas, for the purpose of funding an equal amount of warrants of said county heretofore duly and legally issued for General County purposes, which are valid, subsisting and now outstanding obligations against said county, and claims for which were duly audited, approved and allowed by the Commissioners' court prior to the issuance of said warrants, and which are to be surrendered and cancelled, and the Funding warrants hereby authorized issued to the holder or holders in lieu thereof, a list of which original outstanding
