Order Segregating Tax Levy for 1943

The Tax levy for the year 1943 for Road District #10 heretofore made by this Court in the amount of \$1.00 on each hundred dollars valuation is hereby ratified and confirmed, however it has come to the Courts attention that such levy in the amount of \$1.00 should be segregated and divided as between the Bonds that are payable through the State Bond Board and the bonds that are not so payable.

Therefore, it is hereby ordered that such segregation and division be as follows:

For bonds payable through the State Bond Board 10¢; For bonds that are not so payable 90¢. The County Treasurer is further ordered to keep two separate accounts-- One named "Road District bonds-State" into which he shall place all proceeds from the 10¢ division of the \$1.00 levy for 1943, and one account named "Road District bonds-county" into which he shall place all proceeds from the 90¢ division of such levy. It was moved by Commissioner G. B. Carter and seconded by Commissioner T. L. Arnold, with all commissioners voting aye, that the above order be passed, and it was unanimously passed.
