and it appearing to the Court that the persons named in the said instrument are owners of real estate abutting and lying adjacent to the proposed public road in Sabine County, Texas, leading from 0.82 Miles West of Hemphill to U. S. Highway 96 near Pineland, and that they, and each of them, by signing said instrument, have expressly declared that it is their desire and intention of each of them to dedicate for public road purposes all real estate lying within 80 Feet wide right of way described therein, or as modified below in order that a first class public road can be constructed and maintained within said described right of way.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED by the Commissioners Court of Sabine County, Texas, that the grant and dedication of said 80 Ft. right of way described in said instrument set forth above or as modified below to Sabine County, Texas, be, and the same is hereby, accepted, and said right of way shall hereafter constitute a first class public road and shall be available to the Texas Highway Department for the construction of the proposed Farm to Market Highway No. 23.

The above mentioned acceptance and declaration is made with the understanding that the original centerline location was changed within the limits given below and that on these sections the final centerline deviated from the centerline description as given in the original instrument dedicating the right of way. The action of the Court is considered justified because the said location changes were made with the knowledge of the property owners involved in order to better fit existing improvements. Henceforth, the following changes in location within the limits stipulated shall supersede the alignment description as given in the original instrument.
