RESOLUTION

WHEREAS, The Commissioners Precincts of Sabine County have not been equally apportioned in Sabine County for the past several years, which is a fact known to most of us; and,

WHEREAS, It seems to us that it is high time for the Honorable Commissioners Court of Sabine County, Texas to establish the 4 Commissioners Precincts of Sabine County to where more of the people of Sabine County will have more equal representation in your Honorable Body.

NOW, THEREFORE, BE IT RESOLVED by the Democratic Executive Committee of Sabine County that the Honorable Commissioners Court of Sabine County, Texas give serious thought to the above matter and that we would recommend that the boundary line between Commissioners Precinct Number 1 and 2 be so run so that all of the City of Pineland and the City of Brookeland be in Commissioners Precinct Number 2 and, that the other Commissioners Precinct lines be so established that the people who reside in Commissioners Precincts 1, 3, and 4 may be more equally represented in your Honorable Body.

This resolution was passed by the Sabine County Democratic Executive Committee in Regular Session June 7, A.D., 1966.
