County Agent Frank Mears and B. C. Ener appeared before the Court and submitted recommendations for the control of Fire Ants which have become a serious problem in the County. The Court voted unanimously to purchase one ton of bait for distribution and resale in a manner which would be a saving to both the dealer and purchaser and the initial cost would be refunded to the County.

Upon a motion by Commissioner Henry Wright and seconded by Commissioner Horace Wilburn, the Court voted unanimously to continue on a salary basis for the ensuing year and the County Clerk is directed to send a certified copy of this order to the Comptroller of Public Accounts, Austin, Texas.

By unanimous consent of the Court, the following resolution was adopted and ordered approved.
