The application of R. E. A. to place power line poles on R. O. W. of Mount Sinai road, now being constructed by S. R. A. of Texas, has been received by the Commissioners Court of Sabine County.

It is the opinion of the Commissioners Court that until any road being constructed or to constructed is completed and formally transferred to the County under County agreement with S. R. A. of Texas, the County has no jurisdiction what-so-ever over said road. It is therefore the opinion of the Court that no authority of any kind can be given until the County obtains ownership.

The County Clerk is directed to mail a copy of this order to Mr. C. B. Richards, Eng. for R. E. A., San Augustine, Texas.

Motion by Paul and seconded by H. W. Wright and all voting "Aye" voted to accept forgoing order.

The Commissioners Court of Sabine County received from E. E. Perkins, Engineer for G-M Water Supply Corp., Sabine County, Texas, an inquiry as to whether or not the plans of said water corporation to construct their proposed water system would in any way conflict with any plans Sabine County may have.

The Commissioners Court of Sabine County, in its regular session March 11, 1968, advises Mr. Perkins of the G-M Water Supply Corp. that their plans to construct the water system will not in anyway conflict with any plans Sabine County might have.

The County Clerk of Sabine County is directed to mail Mr. E. E. Perkins, Engineer, 121 N. Van Buren Street, Henderson, Texas, 75652 a copy of this order.

It is the order of the Court that the sum of \$2000.00 be transferred from Precinct one to R. O. W. Fund. The County Clerk is directed to give a copy of this order to the County Treasurer.

All accounts were allowed and made payable.
