Freddy Keel of the U. S. Forest Service appeared on behalf of the Forest Service and Marvin Powell concerning an old road in the Moses Hill Survey running from Powells home North East to Highway Farm Rd 3121. Since this road is no longer used as a mail route the applicants request that this road ^{be} discontinued as a public County road and closed to traffic. Said road lies totally on lands of the applicants and would not deny anyone else access to their property and closing the road would actually be a saving to the county. The Court agreed to give a decision next Court day.

A delegation headed by Mr. Pickett requested information on how to stop live-stock from running at large on the highway through Moore Plantation. They declared this situation was a menace to travel and had caused numerous wrecks and cattle on Highways were in violation to the existing county wide stock law.

Motion by Judge Charlie Forse seconded by Commissioner T. A. Seales that the County pay for installation and Air Conditioners already installed in the offices of the County Judge and Justice of the Peace Pct. # 1 and that the office of the County Treasurer be authorized an Air Conditioner should the Treasurer want one. Judge Charlie Forse, Commissioner T.A. Seales, Commissioner H. E. Wilburn and Commissioner Paul Lout voted for the motion and Commissioner R. E. Smith voted against the motion.

All accounts were allowed and made payable.
