Dear Sir:

77
We, the residents of Sun Shine Valley Bay Sub-division and the adjoining residents ask that the county dirt road from Farm to Market Road No. 3121 to the Sabine Reservoir be black topped.

The reason for this request is due to the increase in the amount of traffic on this road, causing an unbearable amount of dust in the summer and the driving conditions in the winter due to the rain. All signers below are land owners, and tax payers of Sabine County.

We await your reply with interest.
