**RESOLUTION AND ORDER OF COMMISSIONER'S COURT OF
SABINE COUNTY**

Being of the opinion both that an imperative need exists and that great good can result from the continuation of a viable, efficient, and well organized adult and juvenile probation department for the four counties of the First Judicial District, we hereby implement such program as follows:

1. There is to be continued a Jasper-Newton-San Augustine-Sabine Probation Board composed of the following officials:

- a. Judge, 1st Judicial District Court
- b. County Judges of these four counties

2. This probation board shall select the personnel, establish policies, set salaries and expenses and supervise the administration of our 1st Judicial District Probation Department.

3. Each county shall continue to furnish such cost and inkind services that are presently being provided by the counties of the First Judicial District.

4. Since it is understood that this program must be as self-sustaining as possible, it is requested of the Courts to require the probationers to pay probation expenses to the maximum extent as facts and laws dictate in each particular case.

5. The funds assessed and collected from probationers will be placed in interest bearing deposits in the county depository to be used to fund this program as the said probation board shall hereafter from time to time direct.

6. This probation board shall implement reporting procedures monthly to each county auditor of the funds collected from probationers in the respective counties and any expenditures therefrom.

All of the above and foregoing is done and ORDERED as of the dates shown hereinbelow and entered upon the Minutes of the Commissioner's Court of this county.

As of the 24th Day of February, 1975.
