Mr. Berry with Meigs Construction Company, who had submitted a bid on the installation of an elevator in the courthouse on May 11th at the advertised time, appeared before the court. The court was presented with some options of reduction in the original bid. The court made no decision concerning them. Attorney James Allen Payne, who represents the County in this law suit informed the court after discussion with the Claimants on May 18th that they were requesting the case against Sabine County be set in Federal Court during the month of June. He said the case would be set unless the Court presented the Plaintiff and Federal Judge a signed contract with a completion date for the installation of an elevator or other device serving all floors of the courthouse for the handicapped. The court requested Judge Smith talk with First State Bank in regard to the financing of the elevator.

There being no further business, the court adjourned.
