RE: McGee Road-Commissioners Court Meeting October 12th.

Dear Mrs. Gooch:

I have conferred with the Texas Attorney General's Office, discussed with Mr. Walter Davis of that office, the motion made to keep the McGee road as is. It was duly seconded, the vote was called for and two Commissioners voted for the motion and two abstained. Therefore, Mr. Davis stated it was not a tie vote and that the motion carried as made and there was a quorum present.

I will enter this in the official minutes of October 26th.

Sincerely,

  
Royce C. Smith  
County Judge

Sabine County Courthouse

Hemphill, Texas

Att: Judge Royce Smith

We propose to furnish all labor and material to complete the following work to the specifications below for the sum of \$73,000.00.

Install one (1) Westinghouse Model WH 131, 2100 pound Hydraulic Elevator. Shaft to be built inside building, using the first and second floors of the southside storage rooms. The shaft to come through courtroom at the southwest corner on the third floor.

The doors are to open into the halls on the first and second floors, and into the courtroom on the third floor.

The elevator shaft is to be made up of 8" haydite blocks. All voids in the blocks are to be filled with concrete and steel rebars at all corners, openings and support areas.

All door openings are to be finished with wood framing.

5/8" sheetrock textured and painted or paneling will be installed to match existing walls.

All electrical wiring will be encased in steel conduit.

Machine room will be located at the first floor storage room behind the elevator shaft. A door to the machine room will be cut in the west wall of the storage room.

All existing steel beams will be cut and supported by shaft wall.

Exterior of shaft will be finished on the third floor only.

Due to heavy construction there will be a great deal of noise and inconvenience inside the courthouse. If it becomes necessary to work while the courthouse is closed there will be an extra charge for overtime labor.

Temporary power is to be furnished by the courthouse. This bid includes all insurances and performance bonds.

Payments are to be set up in draws as material is delivered to job site, and as work progresses.

Complete clean up of construction site will be done on job completion.

The estimating cost of removing the slab at the pit area was based on an 8" concrete slab. If concrete, steel beams or steel mats are found the extra work will be done on a cost plus 15% base.
