RESOLUTION

Texas Toledo Bend Association

P.O. Box 1704 - Hemphill, Texas 75948

Whereas, the Texas Toledo Bend Association is deeply interested and concerned with all things pertaining to all the TEXAS BORDER OF TOLEDO BEND RESERVOIR, which borders our counties of; Newton, Sabine, Shelby and San Augustine on its eastern side, and

Whereas, we are very much aware of the tremendous economic impact the lake and its tourist industry generates upon these four counties, all of the East Texas area and upon Texas itself, and

Whereas, we wish to avoid the unfair competition with the Louisiana side of Toledo Bend Lake, that would result through the imposition of daily creel limits of only one-third allowed by that state, and

Whereas, we feel that different creel limits on lakes entirely within the state of Texas has not greatly affected the number of fisherpersons on those lakes;

Now, Therefore, Be It Resolved that the Board of Directors, Officers and Members of the Texas Toledo Bend Association respectfully request the Texas Parks and Wildlife Commission to leave the current creel and size limits of; ten Black Bass - at ten inches; Striped Bass - five, bag possession 10; Hybrid Striped Bass - five, bag possession 10; Crappie - White and Black - No Bag, possession or size, as per the September 1, 1985 thru August 31, 1986 Fishing Laws, UNTIL SUCH A TIME AS A MUTUAL AND BINDING RECIPROCAL AGREEMENT can be reached by and between the States of Texas and Louisiana.

Passed and Approved this the 5 day of June 1986.

President
