

On Monday, December 22, 1986, the Honorable Commissioners' Court met in a regular session with the following members present:

Royce C. Smith	County Judge
R. E. Smith	Commissioner, Prct. # 1
Billy J. McGee	Commissioner, Prct. # 2
Eldridge Ellison	Commissioner, Prct. # 3
Chester D. Cox, Sr.	Commissioner, Prct. # 4
Nadine Gary	County Clerk

The meeting was called to order by Judge Smith. Minutes of the last meeting were read by County Clerk, Nadine Gary. Commissioner R. E. Smith made motion, seconded by Commissioner Billy McGee to approve reading of minutes. Motion carried.

Judge Smith discussed the procedures of the Commissioners' Court meetings, and the posting of the agenda. Every Court in the State meets the second Monday of each month, and it has been our rule to also meet the fourth Monday in the month. The agenda is posted at 11:00 A. M. on Thursday before the meeting on Monday. Anyone wishing to be on the agenda should contact the County Clerk's office before this date and time. E. C. Bird asked for procedures involved in making comments on discussions in Court if you were not on the agenda. Judge Smith answered the Court would decide on this matter, by vote of the majority at each meeting.

The monthly bills were reviewed and made ready for payment. Commissioner Ellison made motion, seconded by Commissioner Cox to approve payment. Motion carried.

A discussion followed between Mr. and Mrs. Joe Williams and Commissioner Billy McGee concerning the Scrappin Valley Road in Precinct 2. Mr. and Mrs. Williams insisted that gravel needs to be put on the road, and the ditches and culverts should be opened up. Commissioner McGee answered that he had inspected the roads, and that he had no problems. He also informed the Court how much had been spent on this road and the Six Mile Bridge, and how much Road and Bridge Tax money he had received for repairs on this road.

E. C. Bird, Chairman of the Taxpayers' Action Committee, asked the procedures for maintenance and repairs of County equipment. Commissioners Cox and McGee answered that in most instances each Commissioner chooses his own mechanic, and a lot of the parts are bought from large companies. Repairs and expenses of \$5,000.00 and over are advertised for bid. These bids are run in the local paper at least two times. Mr. Bird asked about a centrally located County Barn for all county maintenance and repairs. The commissioners did not agree with this because it would be more expensive as well as inconvenient.

83

Tax Assessor-Collector Diane Husband gave a report on delinquent taxes owed July 7, 1986, which was \$3,538.00, and December 12, 1986, \$2,682.00.

After giving this report, she asked the Court to renew the contract with associated with the law firm of Calame, Linebarger & Graham Edwin York for another year. Motion was made by Commissioner Billy Joe McGee, seconded by Commissioner R. E. Smith to renew this contract. Motion carried. Mrs. Husband also asked the Court to enter into an on-line service contract with the Secretary of State for the voters registration. Motion was made by Commissioner McGee, seconded by Commissioner R. E. Smith to accept this contract. Motion carried.

Bids were opened for fuel, oil and greese for the County for the year beginning January 1, 1987 thru December 31, 1987. Bids were submitted by Terrill Petroleum Company of Hemphill, and Loveladdy Oil Company, Inc. of Center, Texas. See attached. Commissioner R. E. Smith made motion, seconded by Commissioner Eldridge Ellison to accept the bid from Terrill Petroleum for another year. Motion carried.

Also Crowell and Rhodes and Alexander & Rogers, Inc. submitted bids for County Auditor, for the year ending September 30, 1986. Crowell & Rhodes' bid was for \$7,850.00, and Alexander & Rogers' bid was \$8,900.00. After reviewing the bids, Commissioner McGee made motion, seconded by Commissioner Eldridge Ellison to accept Crowell & Rhodes' bid. All voted for.

Judge Smith informed the Court he had prepared a petition concerning the closing of 117 feet of road in Prct. 2 in Brookeland, and gave the petition to Mr. and Mrs. McCluskey. This will be brought up in our next meeting.

County Home Extension Agent, Sherry Jeans, reported on her work for the County. Two new 4-H Clubs have been organized this year - one in Pineland, and one in Bronson. Also, they are working on organizing one in Brookeland. On February 26, 1987, she will go to Australia for five weeks; returning April 4. This is in connection with her Home Extension work.

Thomas Hamilton had comments concerning the new courtroom in the Toole building. He said the cost is too much, the lease is for one year at a time, and could be canceled, and this expense is not included in the budget. He suggested Night Court as a solution. No action was taken.

Commissioner Billy McGee made motion meeting adjourn, Commissioner Cox seconded the motion; all voted for. Meeting adjourned.

Our examination will not include the general fixed assets group of accounts. Our examination will be performed in accordance with generally accepted auditing standards established by the American Institute of Certified Public Accountants; the general standards and the standards for financial and compliance audits of the U.S. General Accounting Office's Standards for Audit of Governmental Organizations, Programs, Activities, and Functions; Guidelines for Financial Compliance Audits of Federally Assisted Programs; the provisions of Office of Management and Budget (OMB) Circular A-128, establishing audit requirements under the Single Audit Act of 1984; the AICPA Industry Audit Guide, Audits of State and Local Governmental Units; and the Compliance Supplement for Single Audits of State and Local Governments. Honorable Royce Smith and Commissioners:

This will confirm our understanding of the arrangements for our examination of the financial statements of Sabine County, Texas for the year ending September 30, 1986.

We will examine the combined balance sheet at September 30, 1986, and the related statements of revenues, expenditures, and changes in fund balances, and the various account groups for the year then ended, for the purpose of expressing an opinion on them. Our examination will be made in accordance with generally accepted auditing standards and the reporting requirements of the Governmental Accounting Standards Board and the AICPA Industry Audit Guide for Audits of State and Local Governmental Units. Our examination will also be made in accordance with the following:

- . Standards for Audit of Governmental Organizations, Programs, Activities, and Functions (1981 Revision) issued by the U. S. General Accounting office

Your various department personnel will assist us to the extent practical in completing our engagement. We would request they provide us with detailed trial balances and supporting schedules that we deem necessary. A list of such schedules will be furnished to you shortly after we begin the engagement.

Our examination will be for the purpose of expressing an opinion on the financial statements stated above which include the supplemental schedules of State and Federal assistance. In conjunction, we will also issue a report on the internal controls of the County including internal controls used to manage State and Federal financial assistance programs, and a management letter commenting on the effectiveness of handling and control procedures for cash and other sensitive items such as drugs, equipment, and property, and the effectiveness of overall fiscal management, accounting procedures, and controls. It is understood that our report on the internal controls of the County will be based upon our study and evaluation of the system to the extent we consider necessary to evaluate the system as a part of our examination as required by generally accepted auditing standards and that we will not express an opinion on the system of internal control of the County taken as a whole. We will also comment on the County's compliance with the terms and conditions of State and Federal laws and regulations applicable to State and Federal assistance programs.

Fees for these services will be billed to you monthly by invoices dated the last day of each month as work progresses. Our invoices are due and payable on presentation in Angelina County, Texas, at our office, 4000 South Medford, Lufkin, Texas 75901-5799.

We will charge interest on all amounts which remain unpaid at the next regular monthly billing date, being the last day of the month following the previous monthly billing. The interest will be computed as simple interest at the rate of 18% per annum.

The total compensation for the examination of the September 30, 1986 financial statements is estimated to be \$8,900.

Should any unusual conditions which may require auditing or accounting services to exceed the total compensation above come to our attention, we shall promptly bring the matter to the attention of the Commissioners Court. We will not proceed with performance of additional services required by such unusual conditions unless specifically authorized by the Commissioners Court.
