

Monday, June 13, 1988, the Honorable commissioner's Court met in regular session at 8:30 A. M., with the following members present:

R. E. Smith	Commissioner, Prct. # 1
Billy J. McGee	Commissioner, Prct. # 2
Eldridge Ellison	Commissioner, Prct. # 3
Chester Cox, Sr.	Commissioner, Prct. # 4
Nadine Gary	Clerk of the Court

Commissioner Billy McGee served as acting Judge Pro-tem, due to the absence of Judge Royce Smith, who, with a group of other Judges from East Texas counties, is attending a meeting in Washington, D. C. concerning National Forests of Texas. Certain environmentalist groups sometimes oppose the cutting of timber which has generated millions of dollars in revenue to our East Texas counties since 1983. This meeting is to discuss the situation with members of the Texas Congressional Delegation.

Meeting was called to order by Commissioner Billy McGee, with Brother Clarence Howell leading the opening prayer.

Minutes of the last meeting were read by County Clerk, Nadine Gary. The minutes stated a front end loader belonging to Prct. 2 was damaged by someone putting dirt in it. It should have been a motor grader. After this correction was made, the minutes were approved. Commissioner Smith made this motion, seconded by Commissioner Ellison. All voted for.

After the inspection of monthly bills, Commissioner R. E. Smith made a motion, seconded by Commissioner Chester Cox, to approve payment. Motion carried.

Reports from the various offices were presented for approval. Commissioner Smith made a motion, seconded by Commissioner Ellison, to approve reports. Motion Carried. Commissioner McGee brought it to the Court's attention that officers' salary is \$15,764.47 in the red. He said Judge Smith will be at the next meeting June 27, and something should be done at this time. He asked that this be an agenda item on that date.

Burton Lakey again addressed the Court concerning the closing of a road on his property. The closing of this road was opposed by Mr. J. A. Frederick, who said this leaves him no way to his property, which is behind Mr. Lakey's. Commissioner McGee said he had not checked into this as he should, and did not realize someone else had property beyond the gate. After some discussion, Commissioner Smith made a motion, seconded by Commissioner Cox, to re-open the road. Motion carried.

Mr. Felts was also in court, and asked to be on the agenda for June 27. This is concerning roads in Prct. 2 on S. S. Robins Estate.

County Clerk, Nadine Gary, asked the Court to raise the fee for recording plats from \$10.00 to \$50.00. Motion was made by Commissioner Cox, seconded by Commissioner Smith to approve this request. All voted for.

Commissioner McGee asked the Court to make an offer of \$1,000.00 per acre to Temple Eastex for a 5 acre tract of land approximately 3 miles south of Pineland to be used for a garbage dump. He asked that Judge Smith be authorized to write Temple a letter offering them \$1,000.00 per acre for this land. Commissioner Cox made a motion, seconded by Commissioner Ellison, to authorize the Judge to make this offer. Motion carried. Commissioner McGee said there is a possibility we can apply for a grant to cover this.

Only one bid was received to sell front end loader for Prct. 4. This was from Roy Richmond, II, of Burkeville for \$1,527.56. Commissioner Cox made a motion, seconded by Commissioner Smith, to refuse this offer. Motion carried.

There being no further business, Commissioner Smith made a motion, seconded by Commissioner Cox, that meeting adjourn. Motion carried.

Dear Commissioner Cox:

Your help is needed to oppose the recent administrative appeals which have been directed at current decisions on the National Forests of Texas. These appeals will directly affect local county revenues and the economy of East Texas.

Two organizations, the Texas Committee on Natural Resources and the Lone Star Chapter, Sierra Club, have recently filed numerous administrative appeals halting current year programs. The appeals involve timber sales, site preparation for tree planting, timber salvage operations and other non-timber decisions.

Receipts from the National Forests of Texas have generated over \$25.6 million in revenue to our East Texas counties since 1983. These dollars directly benefit our schools and roads. In 1987, twelve East Texas counties received \$3,753,309 as their 25 percent share in revenues from national forestlands. The receipts by county were: Angelina \$378,029, Houston \$989,176, Jasper \$133,061, Montgomery \$101,115, Nacogdoches \$62,804, Newton \$7,986, Sabine \$419,211, San Augustine \$447,582, San Jacinto \$126,842, Shelby \$264,457, Trinity \$708,076, and Walker \$114,970.

You can help by writing your Congressional member. Request his immediate attention to resolving this serious economic situation by directing the U.S. Forest Service to proceed with the authorized 1987 timber sale program. A sample letter is attached.

A delegation will travel to Washington, D.C. on June 14th and 15th to discuss this situation with members of the Texas Congressional Delegation. Please voice your support today.

Thank you!

Sincerely,

John Monk
