GUARANTY

WHEREAS, PINEY WOODS SOLID WASTE MANAGEMENT AGENCY (the "Borrower") is or may become indebted to First National Bank, San Augustine, Texas (the "Creditor");

WHEREAS, the undersigned is a participant in the Piney Woods Regional Solid Waste Management System (the "System"), along with other entities as shown on Exhibit "A" (the Participants") attached to this Guaranty and incorporated into it by reference;

WHEREAS, the initial Participants Share of the System is also shown on Exhibit "A";

THEREFORE, for TEN AND NO/100 DOLLARS (\$10.00) and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the undersigned (whether one or more, herein referred to as "Guarantor") hereby guarantees to the Creditor the prompt and full payment of its Guaranteed Share, as defined below, of the Guaranteed Indebtedness (hereinafter defined), as and when the same shall be due and payable, whether by lapse of time, by acceleration of maturity or otherwise, and at all times thereafter, this Guaranty being upon the following terms and conditions:

1. The term "Guaranteed Indebtedness", as used herein includes; (a) all sums now or hereafter due and owing pursuant to the terms of that certain promissory note of even date herewith executed by Borrower to the order of Creditor in the stated sum of FIVE HUNDRED THOUSAND DOLLARS AND NO/100 (\$500,000.00) or the Loan Agreement (herein so called) of even date herewith between Borrower and Creditor, or any of the other Loan Documents referred to in the Loan Agreement; (b) interest on any of the indebtedness described in (a) preceding, (c) any and all costs, attorneys' fees, and expenses suffered by Creditor by reason of Borrower's default in payment of any of the foregoing indebtedness, and (d) costs or expenses described in (a) through (c) preceding, or any part thereof; provided, however, that the term "Guaranteed Indebtedness" shall not include any amounts described in (a) preceding which may become due and owing after the date specified in a written notification to Creditor by Borrower that the Guarantor has withdrawn as a Participant in the Borrower. Guarantor further unconditionally guarantees to Creditor that Borrower will perform and observe each agreement, covenant, term and condition in the Loan Agreement to be performed or observed by Borrower, regardless of the cost thereof, and upon Borrower's failure to do so, Guarantor will promptly perform and observe, or will cause to be promptly performed and observed, each such agreement, covenant, term or condition. Terms used and not defined herein shall have the meaning set forth in the Loan Agreement.

2. The term "Guaranteed Share", as used in this Guaranty, is to be calculated by multiplying the amount of the Guaranteed Indebtedness times Participants Share of the System, as shown on Exhibit "A" as such may be changed from time to time as a result of (a) the addition, with the consent of the Creditor, if any additional Participants, or (b) the failure of any other Participant to make payment of such other Participant's Guaranteed Share of the Guaranteed Indebtedness in which-case the Guaranteed Share shall be increased by an amount equal to the product of the percentage which the Participant's Share

Vol W Pg 406

of the System bears to the Participants' Shares of the System of all non-defaulting Participants multiplied times the Share of the defaulting Participant.

3. This instrument shall be an absolute and continuing guaranty, and the circumstance that at any time or from time to time the Guaranteed Indebtedness may be paid in full shall not affect the obligation of Guarantor with respect to Guaranteed Indebtedness of Borrower to Creditor thereafter incurred.

4. If Guarantor becomes liable for any indebtedness owing by Borrower to Creditor, by endorsement or otherwise, other than under this Guaranty, such liability shall not be in any manner impaired or affected hereby, and the rights of Creditor hereunder shall be cumulative of any and all other rights that Creditor may ever have against Guarantor. The exercise by Creditor of any right or remedy hereunder or under any other instrument, or at law or equity, shall not preclude the concurrent or subsequent exercise of any other right or remedy. If, for any reason whatsoever, Borrower is now, or hereafter becomes, indebted to Guarantor, such indebtedness and all interest thereon shall, at all times, be subordinate in all respects to the Guaranteed Indebtedness, and Guarantor shall not be entitled to enforce or receive payment thereof until the Guaranteed Indebtedness has been fully paid. Notwithstanding anything to the contrary contained in this Guaranty or any payments made by any party hereunder, Guarantor shall not have any right of subrogation in or under the documents securing payments of the Guaranteed Indebtedness or to participate in any way therein, or in any right, title or interest in and to any mortgaged property or any collateral for the Guaranteed Indebtedness, all such rights of subrogation and participation being hereby expressly waived and released, until the Guaranteed Indebtedness has been fully paid.

5. In the event of default by Borrower in payment of the Guaranteed Indebtedness, or any part thereof, when such indebtedness becomes due, either by its terms or as the result of the exercise of any power to accelerate, Guarantor shall, on demand and without further notice of nonpayment or of dishonor, without any notice having been given to Guarantor previous to such demand of the acceptance by Creditor of this Guaranty, and without any notice having been given to Guarantor previous to such demand of the creating or incurring of such indebtedness, pay its Guaranteed Share of the amount due thereon to Creditor, and it shall not be necessary for Creditor, in order to enforce such payment by Guarantor, first to institute suit or exhaust its remedies against Borrower or others liable on such indebtedness, or to enforce its rights against any security which shall ever have been given to secure such indebtedness. Suit may be brought or demand may be made against all parties who have guaranteed the Guaranteed Indebtedness, or against any one or more of them, separately or together, without impairing the rights of Creditor against any other party hereto.

6. Guarantor hereby agrees that Guarantor's obligations under the terms of this Guaranty shall not be released, diminished, impaired, reduced or affected by the occurrence of any one or more of the following events: (a) the taking or accepting of any other security or guaranty for any or all of the Guaranteed Indebtedness; (b) any release, surrender, exchange, subordination, or loss of any security at any time existing in connection with any or all of the Guaranteed Indebtedness; (c) any partial release of the liability of Guarantor

hereunder or, if more than one person has guaranteed the Guaranteed Indebtedness, the complete or partial release of any one or more of them hereunder; (d) the death, insolvency, bankruptcy, disability, dissolution, termination, receivership, reorganization or lack of corporate, partnership or other power of Borrower, any of the undersigned, or any party at any time liable for the payment of any or all of the Guaranteed Indebtedness, whether now existing or hereafter occurring; (e) renewal, extension, modification or rearrangement of the payment of any or all of the Guaranteed Indebtedness, either with or without notice to or consent of Guarantor; or any adjustment, indulgence, forbearance, or compromise that may be granted or given by Creditor to Borrower or Guarantor; (f) any neglect, delay, omission, failure, or refusal of Creditor to take or prosecute any action for the collection of any of the Guaranteed Indebtedness or to foreclose or take or prosecute any action to foreclose upon any security therefore or to take or prosecute in connection any instrument or agreement evidencing or securing all or any part of the Guaranteed Indebtedness; (g) any failure of Creditor to notify Guarantor of any renewal, extension, rearrangement, modification or assignment of the Guaranteed Indebtedness or any part thereof, or of any instrument evidencing or securing the Guaranteed Indebtedness or any part thereof, or of the release of or change in any security or of any other action taken or refrained from being taken by Creditor against Borrower or of any new agreement between Creditor and Borrower, it being understood that Creditor shall not be required to give Guarantor any notice of any kind under any circumstances with respect to or in connection with the Guaranteed Indebtedness; (h) the unenforceability of all or any part of the Guaranteed Indebtedness against Borrower, whether because the Guaranteed Indebtedness exceeds the amount permitted by law, the act of creating the Guaranteed Indebtedness, or any part thereof, is ultra vires, the officers or person creating same acted in excess of their authority, or otherwise, it being agreed that Guarantor shall remain liable hereon regardless of whether Borrower or any other person be found not liable on the Guaranteed Indebtedness, or any part thereof, for any reason; or (i) any payment by Borrower to Creditor is held to constitute a preference under the bankruptcy laws or if for any other reason Creditor is required to disgorge or refund such payment or pay the amount thereof to someone else. It is the intent of Guarantor and Creditor that the obligations and liabilities of Guarantor hereunder are absolute and unconditional under any and all circumstances and that until its Guaranteed Share of the Guaranteed Indebtedness is fully and finally paid, such obligations and liabilities shall not be discharged or released, in whole or in part, by any act or occurrence which might, but for the provisions of this Guaranty, be deemed a legal or equitable discharge or release of a guarantor.

7. This Guaranty is for the benefit of the Creditor and Creditor's successors and assigns, and in the event of an assignment of the Guaranteed Indebtedness, or any part thereof, the rights and benefits hereunder, to the extent applicable to the indebtedness so assigned, may be transferred with such indebtedness. This Guaranty is binding not only on Guarantor, but on Guarantor's successors and assigns. This Guaranty shall be governed by and construed in accordance with the laws of the State of Texas, and is intended to be performed in accordance with, and only to the extent permitted by, such laws. All obligations of the Guarantor hereunder are performable in San Augustine County, Texas, at the place where the Guaranteed Indebtedness is payable. If any provision of this Guaranty or the application thereof to any person or circumstance shall, for any reason and to any extent, be invalid or unenforceable, neither the remainder of this Guaranty nor the

application of such provision to any other person or circumstances shall be affected thereby, but rather the same shall be enforced to the greatest extent permitted by law. Guarantor hereby agrees with Creditor that all rights, remedies and recourses afforded to Creditor by reason of this Guaranty or otherwise are separate and cumulative and may be pursued separately, successively or concurrently, as occasion therefor shall arise, and are nonexclusive and shall in no way limit or prejudice any other legal or equitable right, remedy or recourse which Creditor may have. The Guarantor shall pay the reasonable attorney's fees and all other costs and expenses which may be incurred by Creditor in the enforcement of this Guaranty.

8. It is not the intention of Creditor or Guarantor to obligate Guarantor to pay interest in excess of that legally permitted to be paid by Guarantor under applicable law. Should it be determined that any portion of the Guaranteed Indebtedness constitutes interest in excess of the maximum amount of interest which Guarantor (in such capacity) may lawfully be required to pay under applicable law, the obligation of Guarantor to pay such interest shall automatically be limited to the payment thereof at the maximum rate so permitted under applicable law.

9. Notwithstanding anything to the contrary contained herein, Creditor shall not be required to release or return this Guaranty until one (1) year following the payment in full of the Guaranteed Indebtedness.

10. Guarantor represents that Guarantor is the owner of a direct or indirect interest in Borrower and that this Guaranty will benefit Guarantor.

EXECUTED this 12th day of October, 1992.

THIS WRITTEN GUARANTY REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES.

THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.
