TEXAS SURPLUS PROPERTY AGENCY
HOUSTON DISTRICT
HOUSTON, TEXAS

A recent check of our records discloses that sometime has passed since you last participated in the Federal Surplus Property Program Administered by this Agency.

We sincerely believe we render a much needed assistance to Donees in this era of inflated prices and severely restricted budgets. Hundreds of different items of equipment and supplies selected with your needs in mind are in our warehouse. During the past three fiscal years our donation have averaged thousands of dollars per month. The only way to receive your fair share of this property is to visit our distribution center on a regular basis. We are keenly aware that the time-distance involved might preclude your being able to personally visit us but, if you can not come in person, why not send authorized representatives and take full advantage of this fine program.

Should you have any questions about the Federal Surplus Property Program or if there is any way we might be of assistance to you please advise.

Enclosed are the recertification forms for your organization to complete and return to the Houston District. As on the application request, please submit any documents that are needed.

Thank you for your time in this matter,

CERTIFICATION REGARDING
DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION
FOR COVERED CONTRACTS

Federal Executive Order 12549 requires the Texas Surplus Property Agency to screen each Applicant Organization to determine whether the applicant has a right to obtain financial assistance/property in accordance with federal regulations on debarment, suspension, ineligibility and voluntary exclusion. Each applicant organization/covered contractor must also screen each of its covered subcontractors. In this certification "contractor" refers to both contractor and subcontractor; "contract" refers to both contract and subcontract.

By signing and submitting this certification the Applicant Organization accepts the following terms:

1. The certification herein below is a material representation of fact upon which reliance was placed when this contract was entered into. If it is later determined that the Organization rendered an erroneous certification, in addition to other remedies available to the federal government, the Texas Surplus Property Agency, the United States General Services Administration or other federal department or agency may pursue available remedies, including suspension and/or debarment.
2. The Organization shall provide immediate written notice to the Agency to which this certification is submitted if at any time the Organization learns that the certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. The words "covered contract," "debarred," "suspended," "ineligible," "participant," "person," "principal," "proposal," and "voluntarily excluded," as used in this certification have meanings based upon material in the Definitions and Coverage sections of federal rules implementing Executive Order 12549.
4. The Organization agrees by submitting this certification that, should eligibility to acquire property be granted, it shall not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Texas Surplus Property Agency, the United States General Services Administration or other federal department or agency.
5. The Organization further agrees by submitting this certification that it will include this certification titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion for Covered Contracts" without modification, in all covered subcontracts and in solicitation for all covered subcontracts.
6. The Organization may rely upon a certification of a potential subcontractor that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract, unless it knows that the certification is erroneous. A Organization must, at a minimum obtain certifications from its covered subcontractors upon each subcontract's initiation and upon each renewal.
7. Nothing contained in all the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this certification document. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. Except for contracts authorized under paragraph 4 of these terms, if an Organization in a covered contract knowingly enters into a covered subcontract with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the United States General Services Administration, or other federal department or agency, as applicable, and/or the Texas Surplus Property Agency may pursue available remedies, including suspension and/or debarment.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION FOR
COVERED CONTRACTS

Indicate in the appropriate space which statement applies to the covered potential contractor:

The Applicant Organization certifies, by submission of this certification, that neither it nor its principals is presently suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this contract by any federal department or agency or by the State of Texas.

The Applicant Organization is unable to certify to one or more of the terms in this certification, the Applicant Organization must attach an explanation for each of the above terms to which he is unable to make certification. Attach the explanation(s) to this certification.
