	*	JULY 12, 1993

The Commissioners Court of Sabine County, Texas meeting in regular session the 12th day of July 1993, considered the following resolution:

WHEREAS, the Constitution of the United States Article (1) states, "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof..."; and

WHEREAS, our nation was founded upon by many different religious beliefs and ideals of settlers from other countries; and

WHEREAS, the framers of our Constitution sought to protect everyone from one mandated state religion; and

WHEREAS, our nation was founded on the freedom OF RELIGION and was not founded on the freedom FROM RELIGION; and

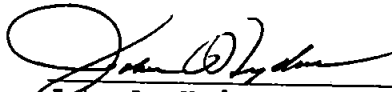

WHEREAS, through time, court decisions and certain interest groups have contributed to the deterioration of those religious beliefs and ideals to the extent that prayer has been banned from the public school system; and

WHEREAS, the Commissioners Court strongly believes that reinstatement of prayer in the public schools will move this nation toward those religious ideals and beliefs upon which this nation was founded; and

WHEREAS, the Commissioners Court urges all cities and counties across this State to join in an effort to reinstate prayer in the public schools by passing similar resolutions and uniting in a "grass root" movement for that purpose;

NOW THEREFORE, BE IT RESOLVED, that the Sabine County Commissioners Court, Sabine County, Texas strongly urges that prayer be returned to the public school systems of this nation and invites all cities and counties across this State to join in an effort to reinstate prayer in the public schools by passing similar resolutions and uniting in a grass roots movement for that purpose.

DONE IN OPEN COURT, this 12th day of July, 1993, upon motion by Comm. John L. Hyden, seconded by Comm. Keith Clark, and All members of the Court being present and voting "aye".

THE STATE OF TEXAS  
County of Sabine

JULY 12, 1993

Sabine County is in the process of improving it's road system. One process is to start a permitting system for road use by individuals using heavy equipment and heavy trucks.

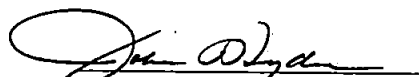

The County has a two fold purpose for doing this. First, to protect the county road system from inappropriate use and second, to protect the contractor.

I am enclosing a copy of the permit for your convenience. In the future, before starting a job, please contact my office for completion of the contract.

I would like to stress that Sabine County is not trying to discourage timber sales, but the County is trying to provide our citizens and companies with a better road to travel and market their products.

If any questions should arise, feel free to contact the County Judge or a County Commissioner.

Sincerely,

Dear Judge Hyden:

The Texas Registration Law, Article 6675a, Vernon's Annotated Texas Statutes, provides counties the option of imposing, in addition to the registration fee, two extra fees.

The provisions of Article 6675a-9a, V.A.T.S., provide a county road and bridge fee in an amount that does not exceed \$10.00 for each vehicle registered in the county. An extra fee in an amount of not less than fifty cents and not to exceed \$1.50 for each vehicle registered in the county is available under the provisions of Article 6675a-9b, V.A.T.S., to fund a school crossing guard program. However, vehicles registered with Machinery and Farm Trailer License Plates are exempt from both these provisions.

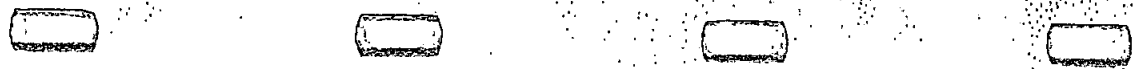

The amounts of both optional fees are set by Commissioners Court. Counties are statutorily required to notify the department of their intent by Commissioners Court Order. The notification deadline for the road and bridge fee is September 1, 1993. The deadline for notification of the school crossing guard fee is September 10, 1993.

Counties which choose to collect the fee(s), to change the amount of their current fee(s), or to remove the current fee(s) are respectfully requested to notify the department by the deadlines established for each fee. Notification, however, is not required of counties that do not wish to change the extra fee(s) currently being collected.

Enclosed for your information is the current registration renewal notice insert reflecting the counties that are collecting the fee(s) provided by these statutes for registration year 1993.
