

Friday, October 18, 1996, the Sabine County Commissioners' Court met in a special called session. The following members were present:

Jack Leath	County Judge
Keith Clark	Commissioner Pct. #1
Lynn Smith	Commissioner Pct. #2
Will Smith, Sr.	Commissioner Pct. #4
Janice McDaniel	County Clerk

Commissioner Charles Ellison was not present.

Judge Leath called the meeting to order at 8:30 a.m.

Agenda item #1-911 Sign Material

Mr. Russell, chairman of the 9-1-1 Advisory Board, submitted a request to the Court for the purchase of a Gerber Signer Package. The total projected cost is \$14,126.10.

Judge Leath moved to approve this expenditure with the understanding that the \$220.00 maintenance agreement will begin at the end of the warranty period and the Court agrees to go over the \$10,000.00 bid limit. Commissioner Will Smith seconded. All voted for. Motion carried. See attached copy of request.

The Court discussed personnel for the operation of this equipment.

Commissioner Will Smith moved to adjourn. Commissioner Clark seconded. Meeting adjourned.

RE: Signage for Sabine County 9-1-1 Addressing Project

Dear Sir,

This letter is sent to you as the Responsible Court Representative for the Sabine County 9-1-1 Addressing Project to seek Court approval of the purchase of required materials and equipment to meet the objectives of the Sabine County 9-1-1 Addressing Project with regards to street signage. Reference is made to the Structure Numbering Resolution passed by the Commissioners Court in November of 1993 wherein the requirements for street signs and their placement is described in the "Signage" section of Attachment # 1. The following recommendation is based upon those standards set forth in the attachment and in the opinion of the writer would best suit the needs of the County.

The quantities suggested below are based upon estimates provided by the Sabine County 9-1-1 Administration office and are believed to be a reasonable for purposes of beginning the sign placement phase of the addressing project. The actual number of street signs and poles required to provide complete signage for all roadways of the county is not determinable at this time. It will suffice to say that more will be needed as the project progresses. Factors which will influence the quantities include future development of the county and the extent to which the County desires to provide signage in the "subdivision" areas.

The cost estimates are the result of a comparison effort. The supplier providing the lowest cost has been selected for use in this recommendation. All cost projections are excluding freight and taxes, if applicable.

It is suggested that the Court move immediately to secure the Gerber Signer Package. A Signer is currently being held at the discounted price, as indicated, but we must execute the order promptly. The items listed with an (*) can be further negotiated if the Court desires.

Let me know if I can be of further service to you or the Court in this matter.

Sincerely,

Robert H. Russell, Chairman
Sabine County 9-1-1 Advisory Board
