Mr. Douglas Domi, a resident of Toledo West Subdivision and a spokesperson for the other residents, met with the Court to petition the Court to accept the road as described below as a public road with County maintenance:

Road Description: 40 feet wide, unpaved

Main Road: Begins at the entrance into Toledo West and proceeds generally east (into Toledo West) for approximately 0.4 miles where it forms a "Y". Each leg of the "Y" extends for approximately 300 feet.

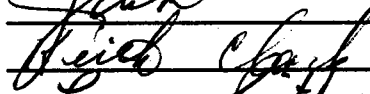

Side Road: Connects to the main road described above at the corners of Toledo West lot numbers 6 and 45 and proceeds generally south for approximately 600 feet.

Commissioner Lynn Smith asked Mr. Domi if all property owners agreed to this request.

STATE OF TEXAS
COUNTY OF SABINE

CHILD WELFARE BOARD CONTRACT
Contract No.

I.

The Texas Department of Protective and Regulatory Services, formerly known as the Texas Department of Public Welfare and/or the Texas Department of Human Resources and/or the Texas Department of Human Services, hereinafter referred to as the Department, and the Commissioners' Court of Sabine County, hereinafter referred to as the County, initiated a contract effective December 13, 1976, to establish a child welfare board contract to administer a county wide, jointly financed, state administered and regionally operated child welfare program to meet the need of children in the county in need of protective services. This contract has continued without a break until present.

With this document, the Texas Department of Protective and Regulatory Services and the County agree to continue the child welfare board and revise the contract to change the contract number and update terminology. This contract is entered into under the authority of §40.058 of the Human Resources Code and is not an agreement under Ch. 771 of the Government Code.

II.

The County agrees:

- A. To continue a Child Welfare Board, hereinafter referred to as the Board, as set out by statute in The Texas Family Code §264.005
- B. That the Board will consist of not less than seven nor more than fifteen persons appointed by the County Commissioners' Court. Members shall serve at the pleasure of the Commissioners' Court. Members serve without compensation.
- C. To continue to provide adequate funding for the care of any child in need of protective placement who is under the conservatorship of the Department, and who is ineligible for Title IV-E foster care or state-paid foster care and/or Medicaid. To establish and maintain, pursuant to its responsibility for the support and maintenance of paupers under Local government Code, Section 81.028(6), a foster care program which will fund the cost of board and care for any child in need of protective placement who is under the conservatorship of the Department, and who is ineligible for Title IV-E foster care or state paid foster care and/or Medicaid. The County will not discriminate in the amount of payments made based on the child's status.
- D. To provide adequate funds for medical care not covered by Title XIX (Medicaid) and for children not Medicaid eligible, not to exceed funds approved by the county.

III.

The Board required under Article II, Section A, of this contract shall have and exercise such lawful authority, duties and responsibilities as conferred upon it by statute, the Department and the County. The Department and the County agree that the Board will have the following duties:

- A. Serve in an advisory capacity to the county in the development of local policy to meet the needs of the children in Sabine County covered under this contract.

IV.

The Department agrees:

- A. To seek Title XIX Medicaid coverage within the amount, duration, and scope of the Medicaid program as defined by the state agency responsible for administration of these funds, for any child eligible for Title IV-E foster care or state-paid foster care and who is eligible for Medicaid benefits.
- B. To receive and expend children's personal funds (SSI, SSA, child support, etc.), in accordance with the needs of each child and state and federal laws and regulations, for children in the Department's conservatorship.

V.

The Parties mutually agree:

- A. That this mutually undertaken child welfare program must meet state licensing and/or certification standards for child-caring and child-placing activities as a condition to continuation of this contract.
- B. To comply with Title VI of the Civil Rights Act of 1964 (Public Law 88-352), Section 504 of the Rehabilitation Act of 1973 (Public Law 93-112), The Americans with Disabilities Act of 1990 (Public Law 101-336), and all amendments to each, and all requirements imposed by the regulations issued pursuant to these acts. In addition, the County agrees to comply with Title 40, Chapter 738, of the Texas Administrative Code. These provide in part that no persons in the United States shall, on the grounds of race, color, national origin, sex, age, disability, political beliefs or religion be excluded from participation in, or denied, any aid, care, service or other benefits provided by federal and/or state funding, or otherwise be subjected to discrimination. The County further agrees to comply with Texas Health and Safety Code Section 85.113 (relating to work place and confidentiality guidelines regarding AIDS and HIV).
- C. That there shall be an annual review of this contract conducted to consider any appropriate changes.
- D. That the term of this contract shall be for a period beginning on the effective date of this contract and it shall terminate at such time as the federal, state, or county governments cease to participate in the program, by mutual consent of all parties hereto, or upon breach of the contract by one of the parties hereto. If mutual consent cannot be attained, either party to this contract may consider it canceled by giving thirty (30) days notice in writing to the other party, and this contract shall thereupon be canceled upon the expiration of such thirty (30) day period. It is further agreed and understood that in the event the federal or state laws or other requirements should be amended or judicially interpreted so as to render fulfillment of this contract on the part of either party unfeasible or impossible or if the Department and the County should be unable to agree upon modifying amendments which would be needed to enable substantial continuation of the program as a result of such amendments or judicial interpretations, then, and in that event, the Department and the County shall be discharged from further obligation created under the terms of this contract, except for the equitable settlement of the respective accrued interests or obligations incurred up to the date of termination.

E. That this contract shall constitute the entire agreement of the County and the Department, and supersedes any other agreement(s), contract(s), or amendment(s) whether formal or informal, which have been previously entered into by and between the County and the Department relating to the services covered under this contract.

For the faithful performance of the terms of this contract, the parties hereto, in their capacities as stated, affix their signatures and bind themselves effective the _____ day of _____

Sabine County Firefighters

P. O. Box 721 • Hemphill, TX 75948

October 23, 1996

The Honorable Jack Leath,
Judge, Sabine County Texas
Sabine County Courthouse
Hemphill, Texas 75948

Dear Judge Leath:

Please accept this as our request for funding for our 1997 calendar year budget at \$5,000.00.

This year the Sabine County Firefighters Association continues to make payments on the air compressor we purchased two years ago. This air compressor allows all eight volunteer fire departments within the county to now fill our air bottles for our breathing apparatus locally.

We have also funded training for two volunteer firefighters to become certified divers. Our goal is to have a dive team for Sabine County to work drowning recoveries within the next two years.

We continue our program fire prevention training at local schools, this program reaches over 1,000 children yearly.

Finally, our aid to rescue command post vehicle has been used twice this year. Once in support of San Augustine County at a drowning site on Lake Sam Rayburn, and once in Newton County where we participated in the search of a person lost in the forest.

Thank you in advance for the county's support of our efforts.

Sincerely,

Bob Morgan
