

Monday, May 5, 1997, the Sabine County Commissioners' Court met in special session. The following members were present:

Jack Leath	County Judge
Keith Clark	Commissioner Pct. #1
Lynn Smith	Commissioner Pct. #2
Doyle Dickerson	Commissioner Pct. #3
Will Smith, Sr.	Commissioner Pct. #4
Janice McDaniel	County Clerk

Judge Leath called the meeting to order at 8:30 a.m. and Tracy Lane let the Court in prayer.

Agenda item #1-Ambulance Service Contract

Judge Leath said that whatever provider is chosen by the Court today will be for exclusive 911 calls only. There will not be any other assurances.

Written proposals were received from Gaddy's Ambulance Service, Memorial Health System of East Texas and Ameristat. All three companies have representatives present.

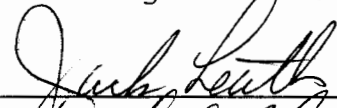

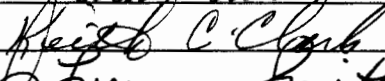

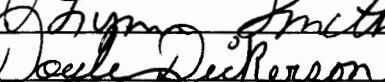

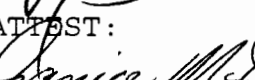

Tran Star Ambulance Service has two representatives present for information support. They said that they are not able at this time to meet the needs of the County, but maybe at a future date they can submit a proposal.

All three companies said that they will honor, as written, the subscriptions sold by Life Rescue Ambulance Service and have units at all school sporting events.

After discussions with the three representatives that are present, Judge Leath recommended and made the motion to enter into a two year contract with Ameristat Ambulance Service with the agreement to include that they will supply units to all community functions, honor Life Rescue subscriptions as written, offer subscriptions and to use Life Rescue personnel if possible. Commissioner Clark seconded. All voted for. Motion carried.

Judge Leath offered appreciation to everyone and said that he is impressed with the presentations today.

Judge Leath adjourned the meeting.
