

Monday, March 9, 1998, the Sabine County Commissioners' Court met in regular session.

The following members were present:

Jack Leath	County Judge
Keith Clark	Commissioner Pct. #1
Lynn Smith	Commissioner Pct. #2
Doyle Dickerson	Commissioner Pct. #3
Will Smith, Sr.	Commissioner Pct. #4
Janice McDaniel	County Clerk

Judge Leath called the meeting to order at 8:30 a.m. and Bro. Clarence Howell led the Court in prayer.

Agenda item #1-General Business

Commissioner Clark moved to approve the minutes as written for the February 23, 1998 regular session of Court. Commissioner Lynn Smith seconded. All voted for. Motion carried.

Agenda item #3-Take Action on County Regulation of Alarm Systems

Judge Leath said that the Sheriff has gotten with the County Attorney since the last Court meeting concerning Chapter 237 of the Government Code which deals with the authority of the Commissioners' Court to regulate alarms that automatically notify the Sheriff's department. The Sheriff's department will have to be notified when an alarm system is installed. A permit fee can be charged, but Judge Leath said that he does not think the Sheriff is interested in charging a fee at this time.

Judge Leath moved for the Court to sign the Order Authorizing the Sabine County Sheriff to act Pursuant to Local Government Code Chapter 237. Commissioner Lynn Smith seconded. All voted for. See attached copy of order and exhibit "A".

Agenda item #4-Take Action on Mill Creek Sub. Right-of-Way

Commissioner Dickerson moved to table this agenda item. Commissioner Clark seconded. All voted for. Motion carried.

Agenda item #5-Ellison Subdivision

Commissioner Clark moved to accept Richard Road to its end, in the Ellison Subdivision, as a public road with County maintenance. Commissioner Lynn Smith seconded. All voted for. Motion carried. See attached copy of letter.

Agenda item #6-Bobby Sloan -- Ball Field

Bobby Sloan met with the Court to request getting a lease on a portion of land owned by the County behind precinct one barn. He said that he represent an amateur softball association that coaches and manages two softball teams. A twelve and under girls team and a fourteen and under girls team. The teams travel all over East Texas and Western Louisiana and they would like to have a place locally to practice and maybe at some time to hold tournaments..

The Court asked Mr. Sloan to do a written proposal with what the regulations and rules are for the Association.

Judge Leath moved to table this item until the March 23, 1998 Court session. Commissioner

Dickerson seconded. All voted for. Motion carried.

Agenda item #7-Arrowcrest II Subdivision Pct. #2

George Strother and Warren Smith from Arrowcrest II Subdivision presented a petition to the Court to accept the roads in Arrowcrest II as public roads with County maintenance. They said that the subdivision will pay for the rock to put on the roads to bring them up to County standard.

Commissioner Lynn Smith moved to accept the roads inside of Arrowcrest II subdivision as public roads with County maintenance. Commissioner Dickerson seconded. All voted for. See attached copy of petition.

Agenda item #2-Public Hearing at 9:00 a.m. Petition for Creation of Fresh Water Supply District/Brookeland.

John O. Houchins, attorney for the petitioners, presented the petition that had been filed with the County Clerk. He stated that fresh water supply districts can be created by Commissioners' Court under chapter 53 of the Texas Water Code. Then an election would be held and the registered voters that reside in the areas of the petition would vote for or against the creation of the water district. The petition does not call for taxing authority. The petition is for the portion of Brookeland in Sabine County that is supplied by the Brookeland Water Supply, Lakelan Subdivision, Shawnee Shores Subdivision and Holiday Forest Subdivision. Mr. Houchins asked that Bob Hogan, Hogan Corporation, and Chris Lane, Southwest Securities, be sworn in by Judge Leath to give testimony on the studies that have been done for the feasibility of this project.

Judge Leath asked if there would be a hook-up fee for the residents. Also if a resident only wants water, does he have to hook-up to the sewer.

Mr. Hogan said that it will cost approximately 2 to 3 hundred dollars hook-up fee if a grant can not be secured for this cost also. The residents will have to hook-up to the sewer system also.

Commissioner Lynn Smith said that he is surprised that no one is here from Holiday Forest or Shawnee Shores.

Mr. Houchins said that notice was posted as required by law.

Mr. Don Wood from Brookeland said that he is on the water system in Brookeland and he is in favor of this project.

Charlie Bicket from Brookeland said that he is on the water board in Brookeland and he is for this project. He said that this started about 2 years ago and was looked at long and hard. He said that the water systems in Shawnee Shores and Holiday Forest are privately owned systems and it is his understanding that these systems are for sale. With a private owned system, the residents do not have a voice in the system, but with this project, they will have an opportunity to run for a position on the board and will have a voice. He said that he thinks it will be a benefit all the way around.

Mr. Richard Tilley, owner of the water system in Holiday Forest, said that the state is requiring more and it is costing more. It will be a benefit to the community.

Judge Leath moved to authorize and order the Creation of the Brookeland Fresh Water Supply District, Sabine County, and to call an election to let the residents of these areas decide if they want to form the district. Commissioner Dickerson seconded. All voted for. Motion carried.

Judge Leath moved to appoint the following people to the board: Alfred K. Powell, Don

Wood, D. E. Willis, Coy Pinnex, June Linscomb and Lillie Perry as Tax Assessor/Collector. Commissioner Clark seconded. All voted for. Motion carried.

Judge Leath moved to hold the election May 2, 1998 in the Brookeland School in Brookeland, Texas. Commissioner Dickerson seconded. All voted for. Motion carried.

Court recessed at 9:50 a.m.

Court reconvened at 10:10 a.m.

Back to agenda item #2

Commissioner Lynn Smith said that he misunderstood that Shawnee Shores and Holiday Forest would have to annex at a later date.

This was the understanding of the rest of the Court.

Judge Leath moved to rescind the order to create the district. Commissioner Lynn Smith seconded. All voted for. Motion carried. A special called meeting will be held for Monday, March 16 to give the residents of Holiday Forest and Shawnee Shores a chance to be here and state whether they want in this project or not.

Agenda item #11-Xerox Machine Proposal

This item was taken care of at the March 9th regular session of Court.

Agenda item #13-Reports

Commissioner Lynn Smith moved to accept the reports from the County Treasurer, Tax Assessor/Collector, JP #2 and the Veterans Service Officer. Commissioner Clark seconded. All voted for. Motion carried.

Agenda item 14-Pay Accounts and Salaries

Commissioner Clark moved to pay the accounts and salaries. Commissioner Dickerson seconded. All voted for. Motion carried.

Agenda item 12-Appointment for Historical Committee

This item is deleted.

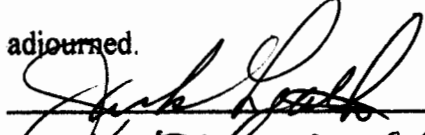

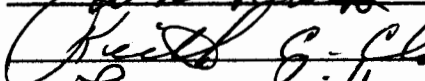

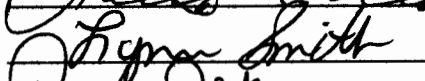

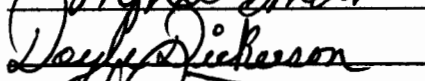

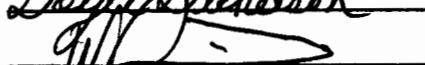

Amended Agenda-Open bids for Dump Truck Pct. #2

Three bids were received Performance Truck of Jasper. They are as follows:

We the property owners of Arrowcrest II, unrecorded subdivision in Sabine County, petition the County Commissioners Court of Sabine County to recognize the streets within Arrowcrest II Subdivision as public roads and maintain these streets with county maintenance.

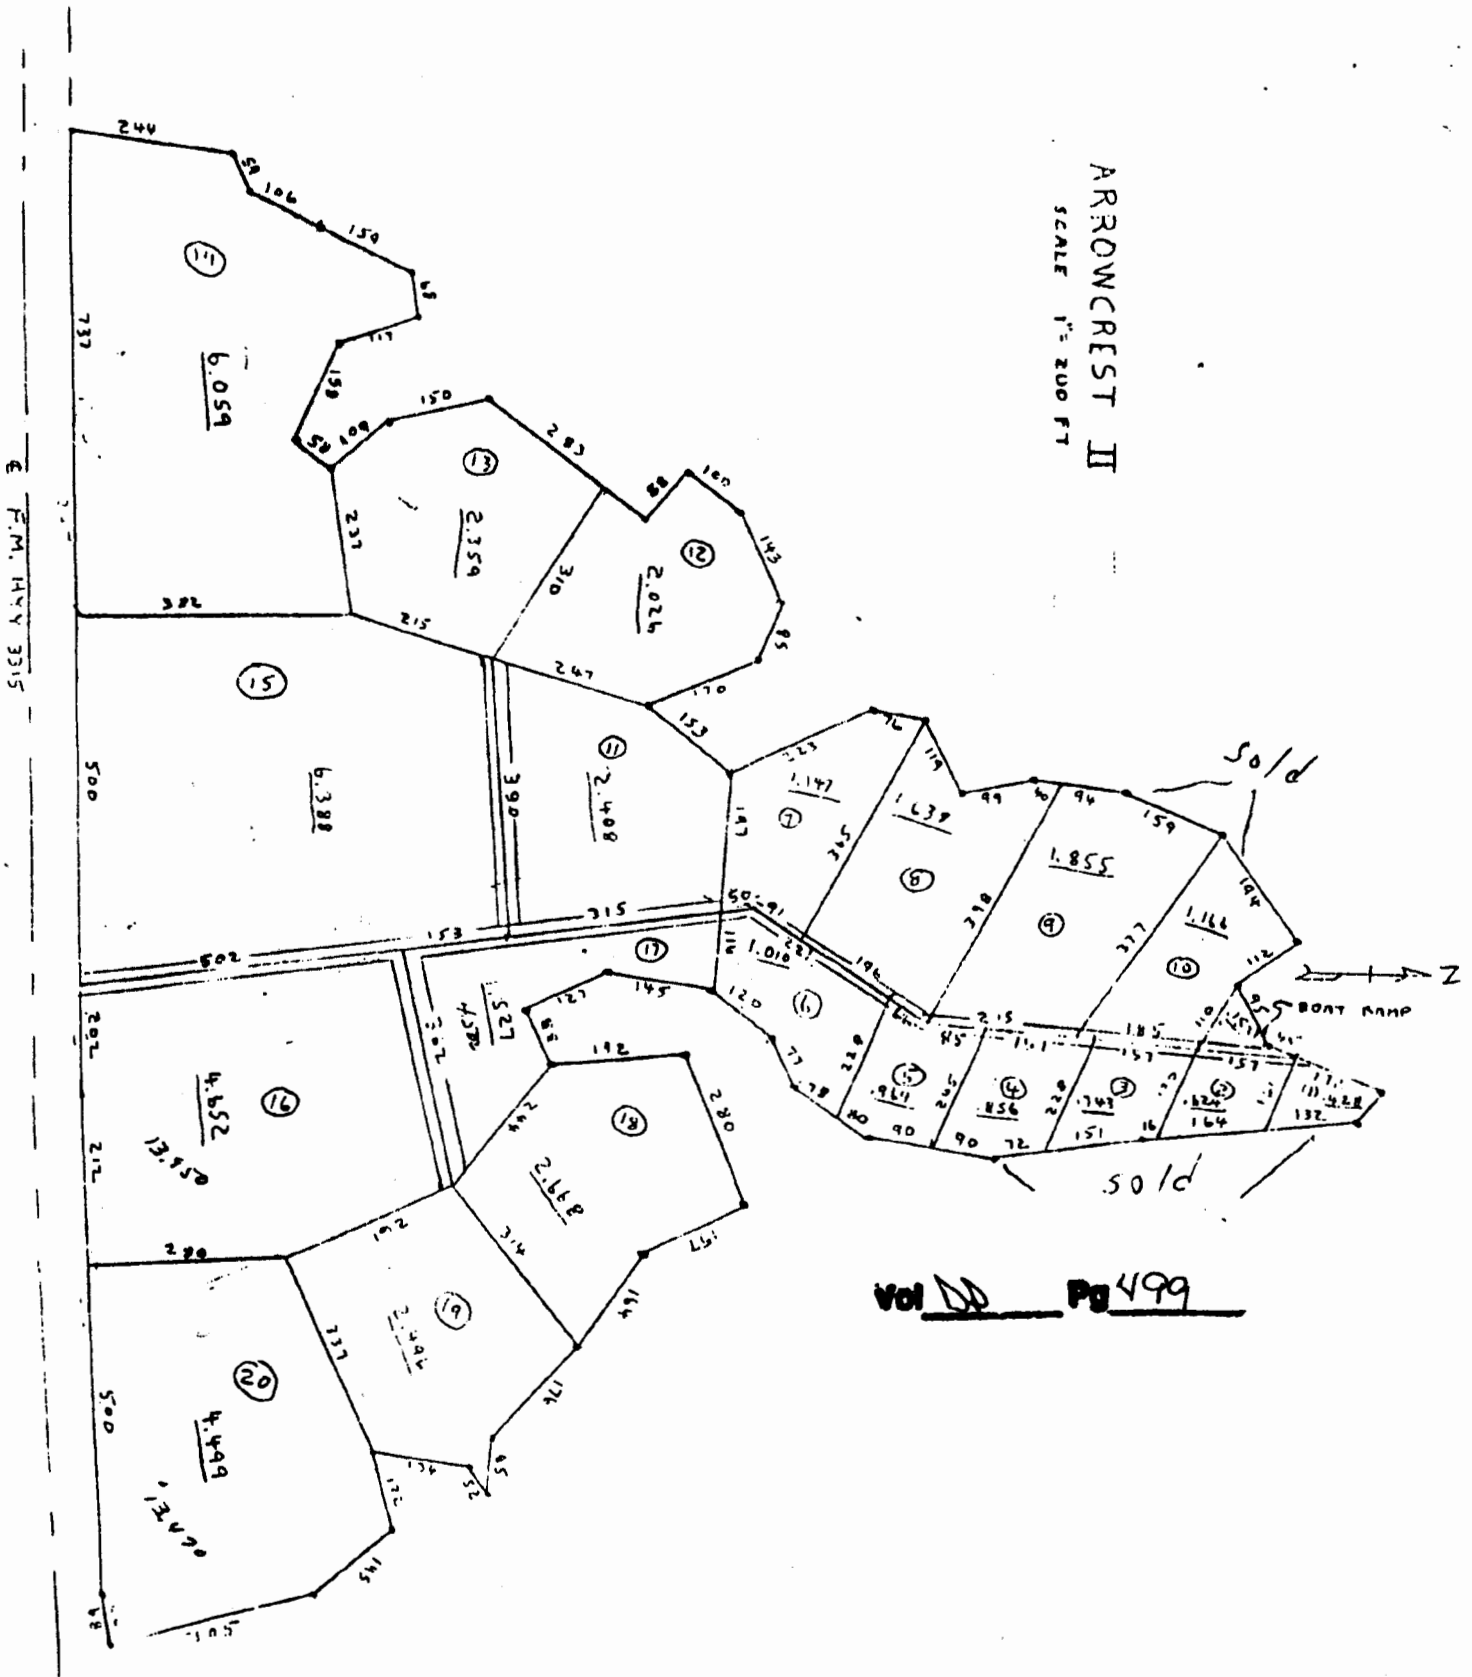

We realize that our property lines extend to approximately the center of the streets and agree that the ditches and streets will be kept clear of any personal items so the county will have forty feet of right-of-way (twenty feet from the center of the street).

All property owners are in favor of this petition.

PETITION FOR CREATION OF A
FRESH WATER SUPPLY DISTRICT

FEB 27 1998

James McDaniel
CLERK, COUNTY CLERK, SABINE COUNTY
SABINE COUNTY

TO THE HONORABLE COMMISSIONERS' COURT OF SABINE COUNTY, TEXAS:

The undersigned individuals being in excess of 50; hereinafter called "petitioners", are the holders of title to lands in the proposed District, within the said lands being hereinafter described. Acting pursuant to the provisions of Chapter 53 of the Texas Water Code, petitioners respectfully petition the Honorable Commissioners' Court for the creation of a fresh water supply district, hereinafter called "district", within the terms and provisions of Section 59, Article XVI, of the Constitution of Texas. In support of the creation of district, petitioner shows as follows:

I.

The name of district shall be Brookeland Fresh Water Supply District of Sabine County, Texas.

II.

District contains an area of 1,828.61 acres, more or less, lies wholly within Sabine County, Texas; and no part thereof is within the limits of any incorporated city or town.

III.

District is described, and its boundaries are as follows:

NOTE: The above and foregoing descriptions do not represent a current on the ground survey.

IV.

District is to be created under the provisions of Section 59, Article XVI, of the Constitution of Texas, and said Chapter 53, Texas Water Code.

V.

District will be created for the purposes outlined in Section 53.101 and 53.121, Texas Water Code, and the general nature of the work proposed to be done shall be the purchase, construction, acquisition, owning, operating, improving, repair, extension and

improvement of land, easements, works, improvements, facilities plants, equipment and appliances necessary to:

(1) provide, conserve, transport and distribute fresh water from any source for domestic uses and commercial purposes;

(2) purchase, construct, acquire, own, operate, repair, improve and extend sanitary sewer systems to control waste..

In addition, district shall exercise all of the powers outlined in Chapters 49 and 53, Texas Water Code.

VI.

There is a necessity for the improvements above described for the following reasons: The area of the district is urban in nature, is within the growing environs of the Lake Sam Rayburn and Toledo Bend Reservoir and is in close proximity to other populous and developed sections of said counties. Within the immediate future, district's area will experience continued and sustained residential and commercial growth. Said area is not supplied with adequate water and sanitary sewer facilities and services. The health and welfare of the existing and future inhabitants of the area and of territories adjacent thereto require the installation and acquisition of an adequate water supply and sewage disposal system within the area of the district.

VII.

The proposed improvements and project are practicable and feasible. There is available sufficient water, and the nature of the soil and the terrain of the area of district

is such that a water and sanitary sewer system can be constructed and acquired at a reasonable cost. The project as prayed for herein is feasible and practicable and is necessary and would be a benefit to the land to be included in the district.

VIII.

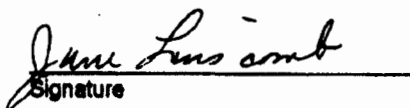

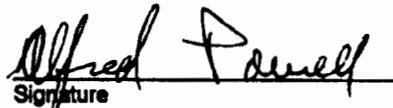

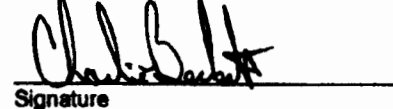

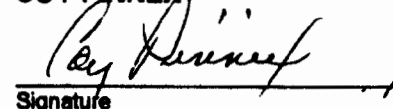

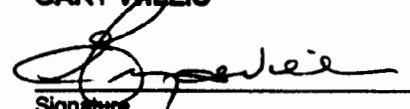

A preliminary investigation has been instituted to determine the cost of said project, and it is now estimated by those filing this petition, from such information as they have at this time, that the ultimate cost of the development contemplated will be approximately \$5,000,000.00.

Wherefore, petitioner respectfully prays as follows: That this petition be filed as provided by law. That a hearing thereon be set before this Court in accordance with the provision of Section 53.016 et Sequa of said Texas Water Code. That at such hearing, in accordance with the provisions of Section 53.019 of the Texas Water Code this petition be granted in all respects and the proposed fresh water supply district be created. That should said Court grant said petition, that the Court in accordance with the provisions of Section 53.020 of the Texas Water Code appoint full temporary supervisors to serve. That petitioner have such other orders, proceedings and relief as are proper, necessary or appropriate for the creation of the district and for the execution of the purposes for which the district shall be created.

Dated this 18 day of February, 1998.

PETITIONERS

THE UNDERSIGNED INDIVIDUALS herein referred to as Petitioners, acknowledge by their respective signatures that they are the holders of title to lands in the proposed District. That they are acting pursuant to the provisions of Chapter 53 of The Texas Water Code, in respectfully petitioning for the creation of a Fresh Water Supply District, within the terms and provisions of Section 59, Article XVI of the Constitution of Texas.

**NOTICE OF PUBLIC HEARING ON A PETITION FOR CREATION
OF A FRESH WATER SUPPLY DISTRICT**

TO: ALL PERSONS INTERESTED IN THE PETITION FOR CREATION OF
BROOKELAND FRESH WATER SUPPLY DISTRICT, OF SABINE COUNTY, TEXAS

Notice is hereby given that a public hearing will be held at 9:00 o'clock, a.m.,
on March 9, 1998, before the Commissioner's Court of Sabine County, Texas (the
"Court"), in the Commissioners Courtroom in the Sabine County Courthouse, Main and
Oaks Streets, Hemphill, Sabine County, Texas, upon a Petition for Creation of a Fresh
Water Supply District (the "Petition") relating to the proposed Brookeland Fresh Water
Supply District of Sabine County, Texas (the "District"). The Petition is filed and the
hearing is held under the authority of Chapter 53, Subchapter B, Texas Water Code. The
Petition reflects that it has been executed by 50 persons who are both landowners and
registered voters within the proposed District.

The nature and purpose of the Petition is for the organization, creation and
establishment of the District as a Fresh Water Supply District under the provisions of
Article XVI, Section 59, Texas Constitution and Chapter 53, Texas Water Code, as
amended, which District shall have the purposes, powers and duties as, provided for in
Subchapter D, Section 53.101 et Sequa, Texas Water Code. The general nature of the
work to be done is the purchase, construction, acquisition, ownership, operation, repair,
improvement and extension of a waterworks and sanitary sewer system for domestic and
commercial purposes. An engineer's report has been filed simultaneously with the filing

Vol DD Pg 527-A

of the Petition, to which report reference is hereby made for a more detailed description of the District's facilities and proposed improvements.

The territory to be included within the proposed District is set forth in the following metes and bounds description designated as Exhibit "A" hereto, and is depicted in the following vicinity map designated as Exhibit "B" hereto.

Any person may appear at the hearing and present evidence and testify for or against the allegations in the petition, the form of the petition, the necessity and feasibility of the proposed District's project, and the benefits to accrue.

Signed this the 22 day of February, 1998.

RE: Ellison Estates

To the Honorable Court:

On January 12, 1998, the County Commissions approved my previous request to accept the first 2,100 feet of Richard Road as a public road.

Since that time, I have closed a sale of a lot located at the end of Richard Road to Mr. and Mrs. Rodney E. Moore of Hemphill. They have been informed me of their intentions to live on their lot (lot 8) and I have asked GM Water Supply to extend water service to their lot.

I am sorry to approach the court so soon after my previous request but at the time this lot was not yet under contract.

I would appreciate the court's consideration of my current request to accept the remainder of Richard Road as a public road. I would also like to offer to reimburse the county for any expense of placing a road sign at Richard Road and FM 3121 should the county wish to do so.

Thank you for your consideration.

Sincerely,

Wade Forbes
