

Monday, April 10, 2000, the Sabine County Commissioners' Court met in regular session. The following members of Court were present:

Jack Leath	County Judge
Keith Clark	Commissioner Pct. #1
Lynn Smith	Commissioner Pct. #2
Doyle Dickerson	Commissioner Pct. #3
Gene Nethery	Commissioner Pct. #4
Janice McDaniel	County Clerk

Judge Leath called the meeting to order and Tracy Lane led the Court in prayer.

Agenda item #1-General Business

Commissioner Clark moved to approve the minutes as written for the March 27th regular session and March 31st special session of Court. Commissioner Dickerson seconded. All voted for. Motion carried.

Agenda item #3-Discuss Suncrest Subdivision Plats

Barbara Arrant deleted this item.

Agenda item #4-Discuss & Possible Take Action on Hanging Pictures of "In God We Trust" inside Courthouse/Marie Nelson

Marie Nelson did not appear for Court.

Agenda item #5-Discuss & Accept Resolution for Texas Water Development Board

Judge Leath said there is a part of the Resolution that we need more information on before we sign it.

No action taken.

Agenda item #6-Accept Roads in Oak Ridge as Public Roads for County Maintenance

Commissioner Smith said this item was tabled from the last regular Court session to allow the residents of Oak Ridge that is against the County declaring the road a public road with County maintenance to speak.

No one that is against this action is in Court today.

Commissioner Smith moved to accept the road in Oak Ridge as a public road with County maintenance. Commissioner Clark seconded. All voted for. Motion carried. See attached copies.

Agenda item #8-Discuss Cable T. V. Franchise

Judge Leath said he received a letter from the Classic Cable company about a rate increase. To the Court's knowledge, there is not anything they can do. The Court issued the original franchise years ago to a company in Many, Louisiana and it has been sold 3 times. We have tried to get the County offices phone numbers taken off of the cable bill. So far we have not had any luck.

After discussion, the Court decided to have our County Attorney read the franchise to see if we have any options.

Agenda item #9-Appoint Board Member for DETCOG

Commissioner Clark moved to keep Judge Leath as the County's board member to DETCOG. Commissioner Smith seconded. All voted for. Motion carried. See attached copy.

Agenda item #10-Take Action on Line Item Transfer-Sheriff's Office

Commissioner Nethery said he spoke with Sheriff Philips this morning. He told him that he is short handed and has been for a few months. This has resulted in an over expenditure in overtime and an under expenditure in deputy's pay. He is asking to transfer \$11,000.00 from deputy's pay to overtime.

Judge Leath said he has checked this out and believes it to be true.

Commissioner Smith moved to approve this line item transfer. Commissioner Nethery seconded. All voted for. Motion carried. See attached copy.

Charlotte King and Cookie King spoke with the Court about mental illness and confinement. No action was taken by the Court.

Court recessed at 9:27 a.m.

Court reconvened at 9:50 a.m.

Agenda item #2-Reports

Commissioner Smith moved to accept the reports from the Treasurer and JP #2. Commissioner Clark seconded. All voted for. Motion carried.

Agenda item #11-Pay Accounts and Salaries

Commissioner Smith moved to pay the accounts and salaries. Commissioner Clark seconded. All voted for. Motion carried.

Court recessed at 10:30 a.m.

Court reconvened at 10:45 a.m.

Agenda item #7-Consider RFP's for Engineering for Beechwood

The Court and David Waxman discussed the accepting and approving an Engineering company for the Beechwood Water Supply Corporation.

Commissioner Smith moved to extend the time for 1 month to receive RFP's and to advertise in the paper twice.

Commissioner Smith withdrew the motion.

Commissioner Smith moved to extend the time period for the RFP's. They are due prior to 8:30 a.m., May 8th with action to be taken during the May 23rd regular session of Court. David Waxman can contact qualified engineers. It is to be advertised in the paper twice. Commissioner Nethery seconded. All voted for. Motion carried.

Commissioner Nethery moved to adjourn. Commissioner Dickerson seconded. Meeting adjourned.

Meeting Minutes for July 4, 1999

Attendees:

Bill Heugel	Don Whitney
Jerry Pounders	Marilyn and Ronald Brown
Gene and Diane Denison	Jim Socha
Bill McMillian	Luke Defee
James Dugat	Earl Eccles
Mike and Darlene Defee	
Lynn Smith County Commissioner of Precinct 2	

The meeting was called to order by Ronald Brown.

Ronald Brown presented his understanding of the conditions associated with the road being designated a public road. Key issues were that the road was not to include the boat ramp and the access road to the ramp. The designation of public road meant that the county would maintain the road but it would still be owned by the Oak Ridge Property Owners. If we are unhappy with the county performing the maintenance we can take it back over ourselves.

Lynn Smith spoke about the conditions associate with the county providing maintenance of the road. He indicated the following:

The county would access the condition of the road and indicate any costs associated with bringing it up to the county standard. (since the road had not been evaluated at this time it may or may not meet the county requirements)

The county uses the black rock for roads it maintains. Discussion of use of designer rock on our road was held. Commissioner Smith indicated that if we paid the extra cost he thought it would be possible to use the type of rock we presently have on the front part of the road.

We will be allowed to have a sign at the front indicating that the road is a dead end.

The county will cut the grass but it would not do it as frequently as we would require. Arrow Crest presently cuts their own grass.

The county would replace any bad culverts. The cost of the culverts would be the responsibility of the property owner but the installation would be done by the county. The cost of the culverts from the county will be less than if purchased from the store.

Since the large culvert is rusted out it is one of the first which will need to be replaced.

The county will maintain the road but will not improve it. If we should want a better road later we would need to pay the cost of improving it.

A motion was made seconded and passed for Bill Heugel, Mike Defee and Ronald Brown to prepare a ballot to be sent to the property owners in order to vote on making the road public and establish any options concerning the road material.

Vol GG Pg 475

The status of the finances of the Oak Ridge Property Owners was presented by Bill Heugel. At the present time we have a balance of \$1268.06. We have only one lot owner that has not paid the fee. Mike Defee said he would pay the fee for this lot owner. Deducting another road fee we still owe Mike Defee \$590 for work and materials used in 1998 which were in excess of the collections he made last year.

It was agreed that notices should be sent out to those property owners who are late in paying the assessment.

A discussion of restrictions was held. It was agreed that Bill McMillian, Ronald Brown, Jim Socha and Bill Heugel will review the restrictions and recommend modifications. Ronald Brown pointed out that we are all violating some restrictions. Despite this we have a great subdivision. Some of the restrictions that were mentioned as being in violation included:

Building to close to the lot line,
Boat house on leaseback property,
Metal roofs, metal buildings,
Burn barrels and
Pets.

A discussion of incorporating the Oak Ridge Property Owners Association was held. Ronald Brown will check on the details.

Several individuals have been mowing and trimming the grass along the road. This has eliminated the need to hire this activity which costs about \$70 per time. Continued support in this way was encouraged. A discussion of work days was also held. During these days individuals would be notified of work that needs to be done and their support would be requested.

A motion was made seconded and passed that terms for the committee members be limited to two years and that the terms be staggered. The next election will be in 2001 for two of the three positions.

Bill Heugel gave a discussion of the activity of the BI-State Alliance. One of their objectives is to get the River Authority to operate the lake more consistent with recreation.

Note:

Since the meeting and the publishing of these minutes Lynn Smith looked at the road and said the county would accept our petition to maintain the road. There are no additional improvements needed for the county to accept the maintenance.

Thoughts and Data Associated With the Attached Ballot

1. Item 1-We (the committee) are very concerned that the current road maintenance fee of \$120/lot/year will not take care of our long term needs when you consider road surface, associated drainage and mowing.
2. Item 2- Declaring the road public means that we maintain ownership of the road right of way and have the right to take it back from county maintenance if we so desire. Under this arrangement the boat ramp and the road to it will remain private.
3. Item 2A- This option will reduce our cost for road maintenance and allow a reduction in annual fees or allow us to build funds for future improvements.
4. Item 2B- Utilizing road surface material that we purchase will not show any significant reduction in our current cost of maintaining the road and will create some longer term problems with the county trying to maintain the road. We (the committee) do not recommend going public with our road and still specifying the type of surface material to be used.

Dear Judge Leath:

Classic Cable works hard to provide cable television service at the most reasonable rates possible, while at the same time delivering the quality programming and services that our customers expect.

Nobody likes a price adjustment, But like any other business, as we experience increased costs for goods and services, some of these costs must be passed on to our customers. Increase costs for television programming, cable equipment, insurance, vehicles and maintenance are just a few of the expenses involved in operating a cable television system.

To enable us to continue to provide the variety of programming, responsive customer service, and investment in future technology, Classic Cable will introduce new monthly rates. Effective May 1, 2000 Basic Cable will be \$26.47 plus applicable taxes and fees.

Classic Cable offers a wide variety of programming choices; however, we get many letters and requests for more channels to be added. To help meet these requests and to enhance your basic cable package, ESPN2 will be added effective May 1, 2000. In addition Country Music Television will be switched to Great American Country. These new channel additions were selected based on the most frequently requested channels from our annual survey across our company.

When considering your entertainment and information needs, we urge you to take into account what an excellent value cable television represents. The fact is, cable television remains an outstanding information and entertainment bargain for "Family Friendly"—providing cable service on additional televisions throughout your home at no additional costs! And, only cable television can provide you with your local broadcast stations keeping you up-to-date on local news, weather and sports.

We appreciate your business and will continue to work hard to earn it!

If I can be of any assistance, or you have any problems that I might help you with, please do not hesitate to call me.
