

Monday, May 22, 2000, the Sabine County Commissioners' Court met in regular session. The following members of Court were present:

Jack Leath	County Judge
Keith Clark	Commissioner Pct. #1
Lynn Smith	Commissioner Pct. #2
Doyle Dickerson	Commissioner Pct. #3
Gene Nethery	Commissioner Pct. #4
Janice McDaniel	County Clerk

Judge Leath called the meeting to order at 8:30 a.m. and Bro. Clarence Howell led the Court in prayer.

Agenda item #1-General Business

Commissioner Nethery moved to approve the minutes as written for the May 8th regular and the May 16th special sessions of Court. Commissioner Dickerson seconded. All voted for. Motion carried.

Agenda item #12-Take Action on Chamber of Commerce Tourism Proposal; item #13-Appt. to Tourism Commission; item #14-Tourism Issue; item #15-Jana Lehman; item #18-Tourism Commission Proposal-Bob Russell

Commissioner Nethery said Jana Lehman's father passed away and she is out of town and Frank Dutton is here to take her place.

Members of the public present at the meeting voiced their opinion for and against on the proposal. They are as follows:

For:

Rhoda Berry, Janice Speights, Edith McCauley, Bob Russell, Susan Cowgill, Lee Dutton, Harry Johnson, Richard Tillery, and Bob Rankey.

Against:

Frank Dutton

Linda Mier thinks the Chamber needs to prove itself first/per Frank Dutton
Marjorie Williams

Bob Russell made a presentation of the agreement that is being considered by the Court.

Commissioner Clark said he understands that resumes will be taken along with the ones the Commission already has for the position the Chamber is proposing.

Commissioner Smith suggested that the Court make the agreement co-inside with the County's budget year.

Commissioner Nethery said he would abstain from any voting since he is a member of the Board of Directors of the Chamber.

Judge Leath said the Commissioners' Court has at no time said to the Chamber of Commerce that they had to get out of the By-State Alliance if they are going to make an agreement with us.

The Court agreed to this statement.

Judge Leath said he personally does not agree with the By-State Alliance. That has nothing to do with the agreement with the Chamber of Commerce and the Commissioners' Court. The Court did vote in support of the lake level 2 years ago, but there is a lot more to the By-State Alliance than a lake level. He asked Mr. Frank Dutton if he or any of the Commissioners has said this statement to him and his response was no.

He said the County Attorney has gone over this agreement and did not find anything wrong with it. Judge Leath said he has an amendment to the contract agreement he would like to suggest. After a Tourism Coordinator selection is made, within 3 months that person prepare a long-term plan for tourism in Sabine County. We have never had any way of determining if the money we have spent has produced any returns. The plan must contain a verifiable method of evaluation to insure the accountability for the funds. He suggested that no funds are expended except salary and office expense until this long-term plan is completed and has been presented to the Tourism Commission and the Commissioners' Court and has been accepted by them.

Judge Leath moved that the Commissioners' Court enter into the agreement with the Chamber of Commerce with the changes he stated. Commissioner Dickerson seconded. All voted for except Commissioner Nethery and he abstained. Motion carried.

Also under agenda item #13, Commissioner Smith moved to accept the resignation of Maggie Hauser from the Tourism Commission and to appoint Ben Powell. Commissioner Nethery seconded. All voted for. Motion carried.

Agenda item #3-Line Item Transfer

Commissioner Nethery moved to approve the line item transfer for precinct 2. Commissioner Dickerson seconded. All voted for. Motion carried. See attached copy.

Agenda item #4-Review & Take Action on County Independent Audit

A representative from Pattillo, Brown & Hill, L.L.P. presented the Court with a report on the fiscal year ending September 30, 1999.

Commissioner Nethery moved to accept the audit report. Commissioner Clark seconded. All voted for. Motion carried.

Agenda item #5-Select Engineer for Beechwood Water Project

Judge Leath said we received qualifications from 6 engineering firms to proceed with the Beechwood Water Project.

A representative from the Beechwood Water Board was present in Court and said they recommend Turner, Collie & Braden Engineering firm.

Commissioner Smith said he agrees with their choice and he moved to hire Turner, Collie & Braden for the Beechwood Project. Commissioner Clark seconded.

In discussion, Commissioner Nethery said he does not disagree with the decision of hiring Turner, Collie & Braden. He said he wants to point out one thing that concerns him. We went out for proposals and received five qualifications. For good reasons, we then extended the bid date to receive some additional bids. He said in his grading of the qualifications, two of the first five received were extremely well qualified, three were questionable. If the provision were that they must coordinate their efforts with Turner, Collie & Braden, the end results would have been the same in his opinion. He said, not that we have done anything illegal, but he feels we are opening ourselves up to criticism from the original bidders by extending the date and then awarding the bid to the one firm that submitted the last bid.

All voted for the motion. Motion carried.

Agenda item #19-Approve Authorization of Signing the Contract with CDBG "Beechwood"

Commissioner Smith said the State makes it very clear that the contract is with the County not with Beechwood and that we are responsible for a lot of things. He said he called Mr. Waxman and asked him to make sure that these things come under his category of overseeing.

David Waxman said it is his job to administer the program but that is not to say that we do everything that is in the contract. There are certain actions that has to come through the Court to be accomplished. There are certain things that the engineers will do. Mr. Waxman said it would be his job to see that they are done.

Commissioner Smith moved to approve the contract for the Community Development Block Grant in Beechwood and to authorize Judge Leath to sign on

behalf of the County. Commissioner Nethery seconded. All voted for. Motion carried.

Agenda item #6-Resolution-Character Counts

This item is tabled until the next regular session of Court.

Agenda item #7-Discuss & Possible Take Action on Resolution in Support of Parking Along Highways 87 & 21 and Agenda item #10-Parking at Six Mile & Pendleton Boat Ramp

Mr. Pete Morris presented a petition to the Court in support of parking along area roadsides or supply adequate parking for fishermen participating in tournament fishing. He said he and others feel we are running people out of the County by putting up no parking signs along public boat ramp roadways. He said they have approximately 600 signatures.

Commissioner Smith said he is working on getting more parking areas for the Six Mile boat ramp.

Commissioner Nethery said he was in the Pendleton Bridge area yesterday and there were at least five hundred vehicles and boats parked in the Frontier Park area. He said he has received numerous calls about the no parking signs at Pendleton Bridge. Most of the people realizes that it can present a safety hazard. They feel we are doing more damage by having the signs and not allowing people to park than we are possibly curing just from a safety stand point. The State is the one that put the signs up and we are going to have to come up with a good argument to get them to take them down.

Judge Leath said if you drive to Lufkin on highway 103, the State allows parking on the shoulders right before you get on the bridge. He said he thinks this whole thing is the result of complaints from 1 or 2 people. He said he would be happy to present the petition to TXDOT along with a resolution if the Court agrees.

Commissioner Smith said he knows the area the Judge is talking about and perhaps there is more room there than on highway 87. Also, the fisherman fishing there are fishing on the bank so there are no boat trailers. He said he thinks this is a dangerous situation with the speed limit being 70 mph. He said he is reluctant to ask the State to take the signs down.

Commissioner Clark said he is in favor of a resolution. People have been parking there since 1969 and as far as he knows there has not been anything happen there. It is always possible.

Judge Leath said he has written a letter to TXDOT requesting that the speed limit be lowered in the Six-Mile area but so far they have not even acknowledged the letter.

Commissioner Nethery said the speed limit needs to be lowered for a couple of miles on the Texas side of the Pendleton Bridge.

Commissioner Nethery moved to instruct the County Judge to write a resolution to TXDOT asking them to lower the speed limit and to allow parking or supply adequate parking facilities in the Six Mile public boat ramp and Pendleton bridge areas. Commissioner Dickerson seconded. All voted for. Motion carried.

Agenda item #8-Radio Tower-D. B. Chance

D. B. Chance said the post that holds the guideline on the radio tower needs to be raised. He said he is afraid that someone is going to come along and hang the guideline.

Commissioner Nethery said he has looked at it and agrees that it needs to be raised. He suggested that we get an engineer to look at it to be sure it is done right.

Commissioner Clark moved to authorize Commissioner Nethery to proceed with working with D. B. Chance to get the problem corrected. Commissioner Smith seconded. All voted for. Motion carried.

The Court asked Mr. Chance to put something on the guideline so maybe no one will hang it before the problem is corrected.

Agenda item #9-M. Williams Drive-Affirm as Public Road

Motion was made by Commissioner Dickerson to affirm Majorie Williams Drive as a public road. Commissioner Clark seconded. After discussions, both Commissioners withdrew their motion and second. It was decided that this needs to go through the publication and hearing process.

Commissioner Dickerson moved to publish notice and to notify the adjacent landowners by mail. Commissioner Smith seconded. All voted for. Motion carried.

Mrs. Williams is to get the names and addresses of the landowners to be notified to the Clerk.

Agenda item #11-David Runnels-911 Signs

David Runnels told the Court that Woodland Estates wants 24-inch street sign instead of the 18-inch signs that the County is putting up.

Commissioner Smith said a representative from Woodland Estates has contacted him and was told that they would pay for the larger signs.

Doyle Dickerson COMMISSIONER PCT. #3

R. Gussery COMMISSIONER PCT. #4

CERTIFIED PUBLIC ACCOUNTANTS ■ BUSINESS CONSULTANTS

INDEPENDENT AUDITORS' REPORT

Honorable County Judge and Members of the
Commissioners' Court of Sabine County, Texas
Hemphill, Texas

We have audited the accompanying financial statements of Sabine County, Texas (County) of and for the year ended September 30, 1999, as listed in the table of contents. These financial statements are the responsibility of the County's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described in the notes to the financial statements, the County prepares its financial statements on the cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles.

-1-

AMERICAN PLAZA ■ 200 WEST HWY. 6 ■ SUITE 300 ■ P.O. BOX 20725 ■ WACO, TX 76702-0725 ■ (254)772-4901 ■ FAX: 254)772-4920 ■
AFFILIATE OFFICES: BROWNSVILLE, TX (956) 544-7778 ■ HILLSBORO, TX (254) 582-2583 ■ ALBUQUERQUE, NM (505) 266-3904

Vol 66 Pg 207

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash and unencumbered cash balances of the County, as of September 30, 1999, and the revenue it received and expenditures it paid for the year then ended on the basis of accounting described in Note 1.

Our audit was made for the purpose of forming an opinion on the financial statements taken as a whole. The combining statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements of Sabine County, Texas. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly presented in all material respects in relation to the financial statements taken as a whole.

In accordance with Government Auditing Standards, we have also issued a report dated February 18, 2000, on our consideration of Sabine County's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

Pattillo, Brown + Hill, L.L.P.

February 18, 2000

Since the Sabine County Historical Commission is observing National
Preservation Week, May 14 - 20, we are all reminded of our Historical Area
and aware of the need to preserve it.

We, the Sabine County Historical Commission, hereby request the
Commissioner's Court to help us in this endeavor. Each Commissioner knows
his Precinct and the activities taking place within his jurisdiction. We would like
to have a look at any old public building before it is demolished or torn down simply
to appraise the historic value. It is not the intention to interfere or promise restoration
in any way, but our efforts are to further preserve and protect our history. This
endeavor requires support from all of us.

May 25, 2000

Gene Nethery
Sabine County Commissioner of Precinct 4
Hemphill, Texas 75948

Subject: Relocating Pendleton Harbor Property Owner's Individual Mailboxes

To: Mr. Gene Nethery

Cc: Robert G. Neal Jr.

Pendleton Harbor Property Owners Association (PHPOA) has been asked by the Hemphill Postmaster, Phil Yocom to relocate the property owner's individual mailboxes at the entrance of our subdivision.

A survey, by Mark Birdwell Surveying, was conducted to determine the ownership of the proposed property location. It has been determined that PHPOA has the right to the easement of the proposed location. We believe to the best of our knowledge the placement of the mailboxes is in an area PHPOA is responsible for. The PHPOA Board has voted and approved the relocation of the mailboxes.

PHPOA is requesting assistance from the Commissioner of Sabine County's Precinct 4 in relocating the mailboxes. The assistance will require Precinct 4's equipment, manpower, and some material. Thank you in advance for your continued help and cooperation.

Regards.

Sylvan Richard
President PHPOA

Wayne Rawls
Vice President PHPOA

East Texas Regional Water Planning Group
May 2, 2000

Earl Willis and I attended this meeting

Due to the approaching deadlines for getting the reports completed and reviewed by the public the group has decided to meet twice a month.

They have produced three draft reports which I have. One describes the region, the second describes the water resources and suppliers and the third makes a comparison of the water supply and the demand.

The group met again with Region H representing the Houston area. The exchange was positive and additional joint meetings will be planned. Region H has interbasin transfers from the Trinity River to the San Jacinto River. Houston would like to have a reservoir built on the Brazos River. They would use Allen Creek flood waters to fill the lake.

The major presentation of the day was the report of Task 4 the "Comparison of Current Water Supply and Projected Demand in the East Texas Region. The report was prepared by the consultant Schaumburg & Polk Inc.

The results of the analysis indicated many shortages in the East Texas Region. The shortages however were in many cases not caused by actual water shortages but by the expiration of contracts and the inadequate infrastructure to supply the demand. This I believe was the case for Sabine County where shortages for the county are shown starting this year and shortages for Hemphill occurring about 2030. Most of the board members did not feel comfortable with the contract expiration being used as a parameter in deterring the shortage. However this is the format specified by the TWDB

Based on this analysis the East Texas Region has a surplus of 135,512 acre feet per year in 2000 which changes to a shortage of 338,507 ac-ft/yr by 2010 and 577,652 by 2050. In order to get a clearer picture of the requirement the contract and infrastructure requirements need to be identified. The Logic for including the contract expirations was stated to be to make the principals aware of the expiration so they do not get into an actual shortage.

The report considers unconnected supply as that which is permitted but there is no infrastructure to support it. Unpermitted is water where no entity has rights to a portion of the reservoir. A significant portion of Toledo Bend (300,000 ac-ft/yr) is unpermitted. This was verified at the meeting by Jerry Clark of the SRA.

The data in the report is shown many ways, by county and by the user groups such as mining, irrigation, manufacturing, etc.

The data will be sent to the TWDB for determining the financial impact of the shortage. The result of their economic analysis will be incorporated in the final version of the task 4 report.

The water supply considerations as a whole were based on a severe drought condition.

The representative of the TWDB passed out some summary charts for the state indicating the shortages by region. The figures included population projections, population growth, total water demand, and water demand by the user groups for each region.

Major shortages in the west (San Antonio) are looking at costs of 300 to 500 per ac-ft.

With the exception of the 43,000 ac-ft/yr that Lufkin is entitled to from Rayburn none of the water in the lake is permitted. All of the water permits are downstream of Steinhagen. If the lake drops below 149 ft

MSL the Corps of Engineers must declare an emergency which must be confirmed in Washington to allow the reservoir to drop below that level.

Arsenic and Radon in the water are issues that some areas must deal with. Standards are being developed at the present time.

There was also more discussion about the requirement for freshwater into Sabine lake. The issue is complex. As mentioned in previous reports a model is being prepared. One of the problems brought up at this meeting is that for most of the other bays the key parameter that was optimized was the commercial fisheries production. Sabine Lake is viewed as a sport fishery. Also there may be a requirement for some form of backflow under the channel to supply freshwater to Starr lake. This area was isolated by the construction of the intercostal waterway.

Rayburn was constructed as a flood control and power generation lake. As long as there is adequate level the power companies can generate.

The next meeting is scheduled for May 23rd and the following meeting will be on June 6th.

A motion was made seconded and passed that the data in the report be sent to the TWDB for the economic impact portion of the study.

Respectfully Submitted,

W. F. Heugel

April 20, 2000

Mr. Bob Russell, Chairman
Sabine County Tourist Commission
P. O. Box 1944
Hemphill, Texas 75948

RE: Proposal for Project Funding

Dear Sir:

The Sabine County Chamber of Commerce is pleased to submit this application for your consideration of a project to be funded from the County Hotel Occupancy Tax revenue. The Chamber recognizes as one of its responsibilities the need to provide Sabine County with effective promotion of our precious resources. The County is blessed with an abundance of sport and recreational fishing opportunities, historical landmarks and ecological wonders which are unique to this part of the state. This project represents a commitment by the Chamber to actively involve itself in a leadership role to provide an ongoing tourism development program for the county.

Enclosed is an agreement which sets forth the terms and conditions under which the Chamber will provide this program for Sabine County as well as a proposed budget required to fund the project. The Chamber will establish a Convention & Visitor's Bureau within its present organization and provide office space and equipment to facilitate the operations of the Bureau. Also, an Executive Director will be employed by the Chamber to manage the day-to-day business of the Bureau and represent the Chamber in its efforts to market Sabine County as a travel destination to tourists and convention organizers. The funding request for this project is in the amount \$48,937.00 for the period June 1, 2000 through December 31, 2000.

Thank you for your consideration of this proposal.

Sincerely,

Lee M. Dutton, Jr.
President

STATE OF TEXAS

COUNTY OF SABINE

This Agreement, executed in duplicate, is made and entered into by and between **SABINE COUNTY, TEXAS**, hereinafter called "COUNTY", and the **SABINE COUNTY CHAMBER OF COMMERCE**, a non-profit corporation, hereinafter called "CHAMBER"

WHEREAS, the Commissioners Court of the COUNTY has enacted an ordinance levying a tax upon hotel and motel occupancy within the COUNTY, said ordinance being made effective July 1, 1993; and

WHEREAS, the COUNTY desires that a portion of the proceeds derived from said County Hotel Occupancy Tax be used for the promotion of tourism and conventions for Sabine County and its vicinity, in accordance with Section 351.101, V.T.C.A. Tax Code;

NOW THEREFORE, in consideration of the promises and covenants herein, the COUNTY and the CHAMBER hereby agree as follows:

1. COUNTY does hereby engage and hire the CHAMBER to establish, manage and operate a Convention and Visitor's Bureau and to render the services herein contemplated. The CHAMBER does hereby agree to accept such hiring, engagement, and employment and to discharge such duties in accordance with the terms and conditions herein set forth.

2. The CHAMBER is hired and engaged as an independent contractor and is not an officer, agent, or employee of the COUNTY.

3. The CHAMBER shall obligate any and all funds awarded to it for Fiscal Year 2000, beginning on the date of this Agreement, solely for the activities described in the attached Budget Document.

4. Since expenditures of these funds are subject to COUNTY Audit, all such records must be maintained for three (3) years or until a COUNTY audit has been completed and any questions arising from it have been resolved, whichever is the lesser period.

5. The Convention and Visitor's Bureau, to be managed and operated by the CHAMBER, shall encourage, promote and solicit tourism and conventions for Sabine County and its vicinity.

6. Within 14 days after the execution of this Agreement, the CHAMBER shall form, or cause to be formed, an Interview Committee to fill the position of the Convention & Visitors Bureau Executive Director. Such committee will be comprised of three (3) members representing the Chamber of Commerce Board of Directors and three members representing the Sabine County Tourist Commission. The responsibilities of this committee will include screening and interviewing applicants for the Executive Director position and recommending a successful applicant for the position to the Chamber of Commerce Board of Directors. The Board will accept the recommendation or decline the recommendation of the Committee.

7. The COUNTY agrees to reimburse the CHAMBER an amount equal to FORTY EIGHT THOUSAND NINE HUNDRED THIRTY SEVEN AND NO/100 (\$48,937.00) DOLLARS in the specific categories outlined in Exhibit A "Year 2000 Budget". Any amendments to the amounts reflected in Exhibit A are subject to advance approval by the COUNTY.

8. The CHAMBER may make reimbursement requests no more often than monthly by completing a Reimbursement Request Summary. Payment of said requests shall be subject to availability of revenue from County Hotel Occupancy Taxes. It shall be the responsibility of the COUNTY to notify the CHAMBER in a timely manner of any cyclical changes or anticipated shortfalls of hotel occupancy tax revenues which may require amendments to this contract.

9. No expenditures may be made by the Convention and Visitor's Bureau or by its Director or Employees unless such expenditures shall be first approved by the President of the Board of Directors of the CHAMBER.

10. The County Judge, or his designated representative shall, upon reasonable notice, have the right to inspect all books and records of the Convention and Visitor's Bureau. Separate books of account shall be kept by the CHAMBER concerning all funds received and/or expended hereunder.

11. It is expressly understood and agreed by the COUNTY and the CHAMBER that all funds received from the County Hotel Occupancy Tax that are paid to the CHAMBER shall be used solely for the purposes of encouraging, promoting, and soliciting convention and tourism for Sabine County and its vicinity in accordance with Section 351.101, V.T.C.A. Tax Code.

12. It is understood and agreed that either party may terminate this Agreement by giving to the other party notice in writing of said termination thirty (30) days in advance of the first day of a calendar quarterly period, and such termination shall become effective at the end of the calendar quarterly period following such notice.

It is understood that this Agreement in no way affects, restricts, or limits the governmental authority of the COUNTY to enact, amend, or repeal the County Hotel Occupancy Tax, and in the event that the COUNTY repeals such tax this Agreement shall be ipso facto terminated.

Upon termination of this Agreement, unless it be renewed, the CHAMBER shall deliver to the COUNTY all funds derived from the County Hotel Occupancy Tax that it may have and all removable personal property that may have been purchased with funds derived from said tax.

13. The CHAMBER agrees to indemnify, save harmless, and defend the COUNTY from any and all claims, causes of action, and damages of every kind arising from the operations of the CHAMBER, its officers, agents and employees, including the Convention and Visitor's Bureau and its officers, agents and employees, carried out in furtherance of this agreement. Annually, the CHAMBER will furnish the COUNTY with a valid certificate of insurance demonstrating evidence of liability insurance in the amounts of \$500,000 bodily injury and \$500,000 property damage for each occurrence, the cost of said insurance policies to be an expense of the CHAMBER. Said insurance policies shall name the COUNTY as an additional insured. Said insurance policies, or duplicate originals thereof, must be filed with the COUNTY Clerk or her designated representative, before any operations contemplated by this agreement are begun.

14. The COUNTY shall renegotiate these terms and conditions if the COUNTY is unable to fulfill this agreement by virtue of any act, regulation of any public authority, or on account of any war situation or any other emergency, or acts of God, or any other cause beyond its control on the basis of actual expenditure incurred in anticipation of this project.

15. It is mutually understood and agreed that in contracting for services, supplies, or any other related costs pertinent to the project covered by this agreement, the CHAMBER shall perform all work and labor herein provided for as an independent contract and under the sole supervision, management, direction and control of the CHAMBER in accordance with the specifications above set out. COUNTY shall look to CHAMBER for results only, and COUNTY shall not have the right at any time to direct or supervise the CHAMBER or its servants or employees in the performance of such work or as to the manner, means and method in which work, labor, or project is performed other than to comply with the conditions outlined in the project application and the terms of this contract.

16. The terms of this agreement shall be from June 1, 2000 to December 31, 2000.

EXECUTED IN DUPLICATE ORIGINALS this the _____ day of _____, 2000.
