

Special Session

Commissioners' Court

October 9, 2000 10:00 a.m.

Members of the Court present:

Jack Leath	County Judge
Keith Clark	Commissioner Pct. #1
Lynn Smith	Commissioner Pct. #2
Doyle Dickerson	Commissioner Pct. #3
Gene Nethery	Commissioner Pct. #4
Janice McDaniel	County Clerk

Agenda item #1-Discuss & Possible Take Action – Tires for Weight Trailer
DPS Officers

Judge Leath said Jeff Cox, JP #1, said that DPS is wanting us to pay for tires for the weight trailer that is used by the DPS officer to weigh overweight vehicles. The cost is \$200.00. Judge Leath said they asked us to buy the scales and we did. A spring broke on the scales and they asked us to pay for that and we did. Now they are asking us to pay to replace the tires on the trailer.

Commissioner Nethery said he does not have a problem with this expenditure. He said Judge Cox told him that he has talked to the rest of the Court and they will agree to pay the \$200.00.

Commissioner Dickerson said he would support it this time.

Commissioner Smith said he will go along with what the Court wants to do, but he does not think we should be paying for what the State should be paying for.

Commissioner Clark said he agrees with Commissioner Smith. He doesn't think we should be paying for something the State should be paying for.

Commissioner Nethery moved to pay the \$200.00 to replace the tires. Commissioner Dickerson seconded. Commissioners Clark, Dickerson and Nethery and Judge Leath voted for. Commissioner Smith voted against. Motion carried.

Judge Cox is present in Court at this time.

Judge Leath asked JP #1, Jeff Cox, if any other County is paying for anything. Is there some kind of accounting that would show us what other Counties are paying for. Also, we object somewhat to having to buy equipment for the State. We don't want to be left out, but we do not want to be the only one.

Judge Cox said that supposedly each County pays for repairs. The way it was explained to him is that we and all the Counties that are combined with us own the scales, not DPS.
