

Special Session Commissioners' Court
Wednesday, August 27, 2008 8:30 a.m.

Members of the Court Present:

Charles Watson	County Judge
Keith Clark	Commissioner Pct. #1
Jimmy McDaniel	Commissioner Pct. #2
Doyle Dickerson	Commissioner Pct. #3
Fayne Warner	Commissioner Pct. #4
Janice McDaniel	County Clerk

Judge Watson called the meeting to order.

Agenda item #1-Proposed Tax Rate

Judge Watson said the proposed tax rate increase is one cent.

Representatives from Sandy Creek Estates Subdivision in precinct 2 ask questions of the Court about how this increase would affect the roads.

The Court explained that none of the tax money goes into the road and bridge funds. The largest contributor to the R&B funds has been from the Forest Service and at this time it appears the County will only receive a small percentage of what they normally receive. The Court said they may have to start getting a portion of tax monies in the future. Right now it is a guessing game.

The Court was asked about a tax just for the R&B funds and the Court said they were not aware of a tax just for R&B funds.

The representatives from Sandy Creek Estates Subdivision said they are in favor of the tax increase but would like to see the R&B funds be able to receive monies also.

This was a public hearing with no action taken by the Court.

Commissioner Warner moved to adjourn. Commissioner Dickerson seconded. All voted for. Meeting adjourned.
