

PUBLIC HEARING COMMISSIONERS' COURT

Monday, July 18, 2011 5:00 p.m.

Members of the Court present:

Charles Watson	County Judge
Keith Clark	Commissioner Pct. #1
Jimmy McDaniel	Commissioner Pct. #2
Doyle Dickerson	Commissioner Pct. #3
Fayne Warner	Commissioner Pct. #4
Janice McDaniel	County Clerk

Judge Watson opened the public hearing at 5:00 p.m.

Eric McGee with Allison-Bass, went over the two proposed re-districting maps. He said the theory is one person-one vote. The 2010 census has the population of Sabine County at 10,834. The ration in population between the four Commissioners' precincts is supposed to be within 5 percent or below. Right now the ratio stands as follows:

Precinct 1 171 over
Precinct 2 140 over
Precinct 3 352 below
Precinct 4 39 over

Mr. McGee said that proposal maps 4 and 5 both get the precincts within a 5 percent or below ratio. He told the Court that some minor changes can be made without having to have another public hearing but no major changes can be made. Once the Court is in agreement on the proposed map, an order to adopt the redistricting plan (map) will be done in Commissioners' Court and then be sent in to the Legislative Council. No changes can be made after the order is adopted by the Commissioners' Court unless the Department of Justice requires changes to be made.

Judge Watson moved to adjourn the public hearing. Commissioner Warner seconded. All voted for. Motion carried.
