RE: GLO IKE 2.2 Disaster Recovery Project #2 Bridge & Culvert Improvements  
DRS 220160

Dear Judge Watson,

This project includes replacement of the drainage structures on Centerview Rd. at Sandy Creek, and on Coopers Xing in Precinct 3.

The County received bids from two bidders for this project on December 6, 2013, and a tabulation of the bids is attached. The low bid was submitted by Longview Bridge & Road, Ltd. Nacogdoches, Texas in the amount of \$273,143.00.

While this amount is slightly over our estimate for this work, it is within the available construction budget of \$300,845. We have reviewed the bids submitted and recommend contract award to Longview Bridge & Road, Ltd.

Sincerely,

  
Kevin T. Gee, P.E.  
Project Manager
