Re: Road Closure Request for:
Housen Hollow Rd at Housen Bayou
Sabine County, CSJ: 0911-29-040

Dear Judge Melton:

The Texas Department of Transportation is preparing plans to replace the existing bridge at Housen Bayou on Housen Hollow Rd. This project is scheduled to let to contract in December 2016 with construction beginning in the following weeks.

At this time, the bridge on Housen Hollow Rd. at Housen Bayou remains in operation. TxDOT plans to close this bridge to all traffic for approximately four months while the new bridge is built to eliminate the need to construct an expensive temporary detour and to minimize right-of-way acquisition.

Please indicate your concurrence, or non-concurrence with an explanation, and return this letter to me. The bridge location is shown on the attached map. Your assistance in this matter is greatly appreciated. You can reach me at 936-633-4409 or nancy.smith@txdot.gov if you have any questions about this project.

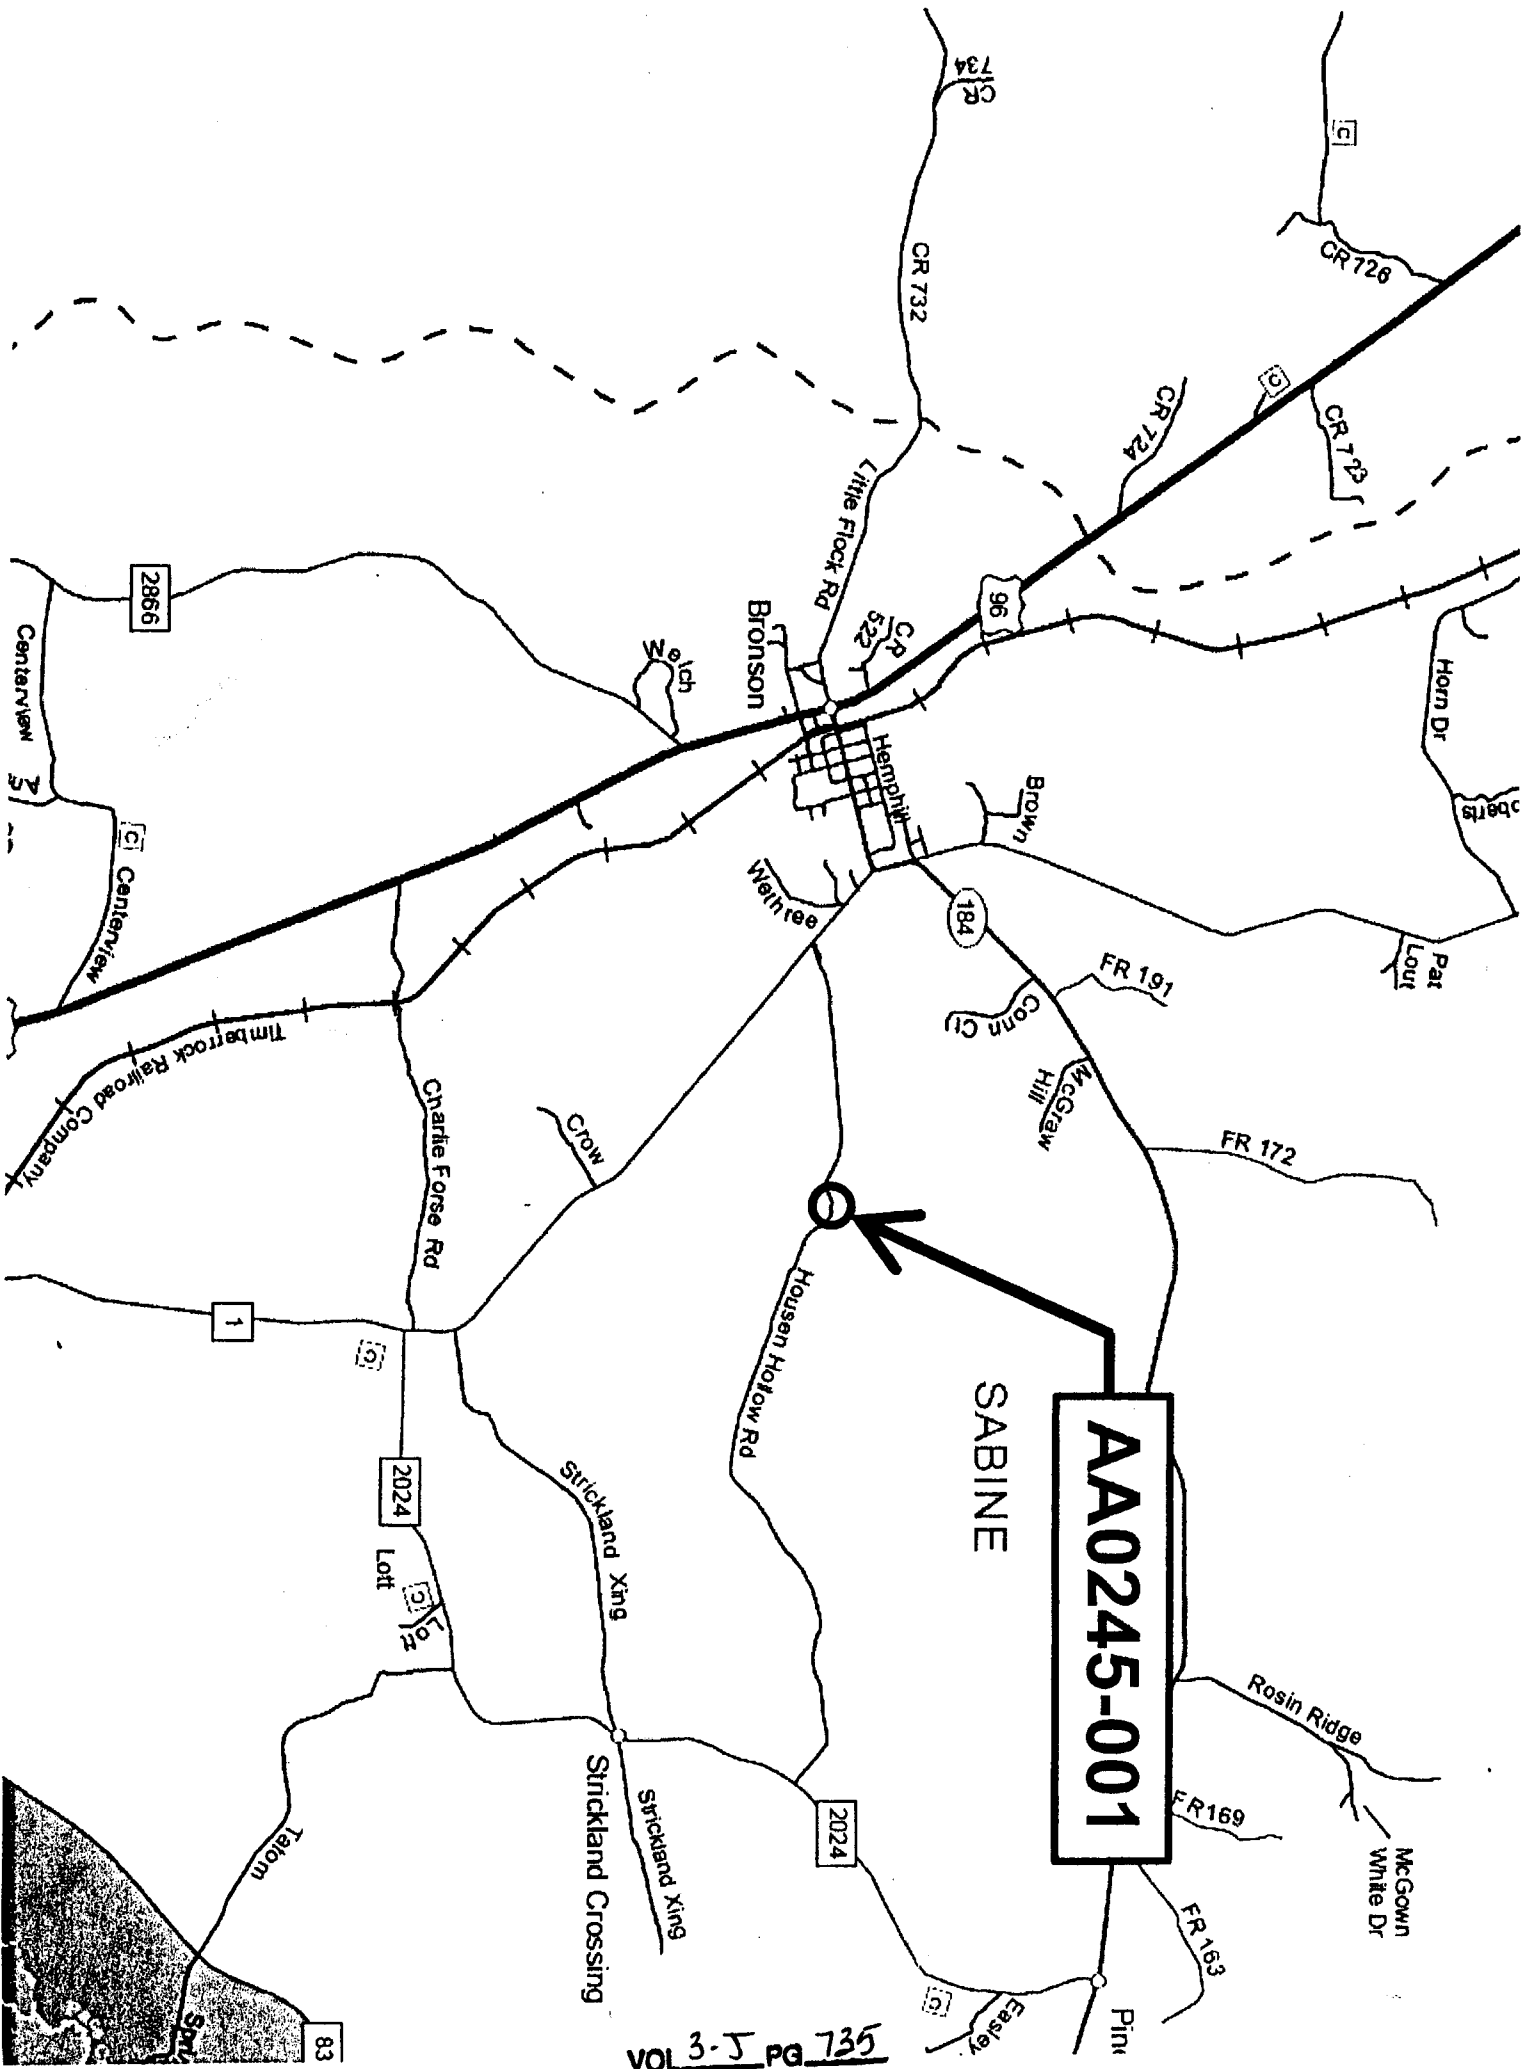

Sincerely,

Nancy A. Smith, P.E.
District Bridge Engineer

I concur with the road closure at Housen Bayou.

I do not concur with the road closure at Housen Bayou because:
