RE: Recorder Purchase

Dear Sheriff Maddux:

Included in the DETCOG strategic plan for 9-1-1 service delivery for the region for FY '16, Sabine County is scheduled to replace its voice recorder system.

DETCOG has reviewed the proposed system offered by Commercial Electronics and find proposal to be consistent with the strategic plan and all applicable Commission on State Emergency Communications (CSEC) rules.

DETCOG will reimburse Sabine County in the amount not to exceed \$15,000. Sabine County is authorized to issue appropriate purchase order consistent with Sabine County procurement policies and DETCOG will reimburse the county up to the amount stated above upon installation of the system and the presentation of invoice from the vendor and photo copy of the check issued by the county to complete the transaction.

If you have questions or need additional information, please contact me at 409-381-5263.

Sincerely,

Van Bush, Director of Regional 9-1-1 Network
