From F.M. 2784 (A) West across Crown Pine Property following an existing road passing at 2,900' (B) McGee easement on left, and continuing west at 4,000' (C) leave Crown Pine Property and entering Warr Property near cemetery. At this point the road continues across Warr property 600' to (D) where road now being used ends and trail begins.

We walk along trail following what we believed to be the old road bed, at (X) 260' we crossed dry branch on small foot bridge near Warr's west property line and Crown Pine's interior east line and continue on with trail at 700' (E) we came to ATV trail and continue west along ATV 460' to Crown Pine's most west property line (F). We then continued west with on road bed across private property 2,200' to culvert (G) at Maddox creek near where Sabine County ends Maintenance on Wright Lane.
