

Office of the Governor – Homeland Security Grants Division
2017 State Homeland Security Program (SHSP)
Request for Applications (RFA) for Regular Projects

The Homeland Security Grants Division (HSGD) of the Governor's Office is soliciting applications for projects that support state and local efforts to prevent terrorism and other catastrophic events and prepare for the threats and hazards that pose the greatest risk to the security of Texas citizens. HSGD provides funding to implement investments that build, sustain, and deliver the 32 core capabilities essential to achieving a secure and resilient state.

Purpose: The purpose of this solicitation is to support state, tribal and local preparedness activities that address high-priority preparedness gaps across all core capabilities where a nexus to terrorism exists. All investments must be consistent with capability targets set during the Threat and Hazard Identification and Risk Assessment (THIRA) process, and gaps identified in the State Preparedness Report (SPR).

The SHSP is intended to support investments that improve the ability of jurisdictions to:

- **Prevent** a threatened or an actual act of terrorism;
- **Protect** its citizens, residents, visitors, and assets against the greatest threats and hazards;
- **Mitigate** the loss of life and property by lessening the impact of future catastrophic events;
- **Respond** quickly to save lives, protect property and the environment, and meet basic human needs in the aftermath of a catastrophic incident; and/or
- **Recover** through a focus on the timely restoration, strengthening, accessibility and revitalization of infrastructure, housing, and a sustainable economy, as well as the health, social, cultural, historic, and environmental fabric of communities affected by a catastrophic incident.

Many activities which support the achievement of target capabilities related to terrorism preparedness may simultaneously support enhanced preparedness for other hazards unrelated to acts of terrorism. However, **all SHSP projects must assist grantees in achieving target capabilities related to preventing, preparing for, protecting against, or responding to acts of terrorism.**

Available Funding: Federal funds are authorized under Section 2002 of the Homeland Security Act of 2002, as amended (Pub. L. No. 107-296), (6 U.S.C. 603). State Homeland Security Program (SHSP) funds are made available through a Congressional appropriation to the United States Department of Homeland Security. All awards are subject to the availability of appropriated federal funds and any modifications or additional requirements that may be imposed by law.

Funding Levels:

Minimum: \$2,500

Maximum for Local and Regional projects: None

Maximum for State Agency projects: None. However it should be noted that HSGD expects to make available approximately \$2 million dollars to state agencies in support of 10 – 20 projects under this solicitation and the SHSP-LETPA solicitation.
