Re: Letter of Resignation

Dear Judge Melton:

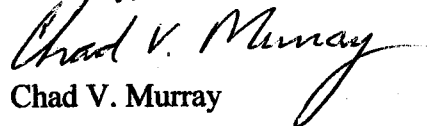

Please accept this letter as my letter of resignation from my position as County Constable for Pct. #1 effective at 8:00 a.m. on April 10, 2017.

Due to changes in the local economy that have adversely impacted my employment, I can no longer remain in Sabine County but must leave for a new job. Therefore, I must resign my position at this time. It has been a privilege and pleasure to serve Pct. #1 and the citizens of the county, and I look forward to the day I can return home to the county.

Should the county appoint someone to fill my position, I would ask that the Commissioners Court consider Brad Shirley as my replacement.

It has been an honor to serve Sabine County.

Sincerely,

Chad V. Murray
