EMERGENT MEMBERSHIP

WHEN LIFE IS ON THE LINE,
 WE'RE IN THE AIR.

Real survivors. Real stories.

Marina Cochran-Smith and Oliver

Marina Cochran-Smith and Chad Swimmer had just had their first child, Oliver, via home birth. Like countless newborns, Oliver developed jaundice.

A few days passed and Oliver still had symptoms, so the couple took him to the nearby hospital. Oliver's bilirubin numbers were the highest the doctor had ever seen, and he needed to be transferred immediately to a pediatric specialty hospital.

Soon, our AMCN provider pilot Jeff Barker touched down with flight nurses Kyla Betts and Jennifer Fennerl. Marina describes both nurses as "phenomenal and professional". When they arrived at the Pediatric ICU, Oliver started phototherapy.

"We were out of there in less than 48 hours," Chad reports. "Oliver had a fantastic recovery."

Marina says, *"One often hears the phrase, 'You saved my life!' used flippantly. Now we know its true meaning, and there are no words that can accurately express our gratitude."*

AirMedCare Network Terms and Conditions

AirMedCare Network is an alliance of affiliated air ambulance providers* (each a "Company"). An AirMedCare Network membership automatically enrolls you as a member in each Company's membership program. Membership ensures the patient will have no out-of-pocket flight expenses if flown by a Company by providing prepaid protection against a Company's air ambulance costs that are not covered by a member's insurance or other benefits or third party responsibility, subject to the following terms and conditions:

1. Patient transport will be to the closest appropriate medical facility for medical conditions that are deemed by AMCN Provider attending medical professionals to be life- or limb-threatening, or that could lead to permanent disability, and which require emergency air ambulance transport. A patient's medical condition, not membership status, will dictate whether or not air transportation is appropriate and required. Under all circumstances, an AMCN Provider retains the sole right and responsibility to determine whether or not a patient is flown.
2. AMCN Provider air ambulance services may not be available when requested due to factors beyond its control, such as use of the appropriate aircraft by another patient or other circumstances governed by operational requirements or restrictions including, but not limited to, equipment manufacturer limitations, governmental regulations, maintenance requirements, patient condition, age or size, or weather conditions. FAA restrictions prohibit most AMCN Provider aircraft from flying in inclement weather conditions. The primary determinant of whether to accept a flight is always the safety of the patient and medical flight crews. Emergent ground ambulance transport of a member by an AMCN Provider will be covered under the same terms and conditions.

3. Members who have insurance or other benefits, or third party responsibility claims, that cover the cost of ambulance services are financially liable for the cost of AMCN Provider services up to the limit of any such available coverage. In return for payment of the membership fee, the AMCN Provider will consider its air ambulance costs that are not covered by any insurance, benefits or third party responsibility available to the member to have been fully prepaid. The AMCN Provider reserves the right to bill directly any appropriate insurance, benefits provider or third party for services rendered, and members authorize their insurers, benefits providers and responsible third parties to pay any covered amounts directly to the AMCN Provider. Members agree to remit to the AMCN Provider any payment received from insurance or benefit providers or any third party for air medical services provided by the AMCN Provider, not to exceed regular charges. Neither the Company nor AirMedCare Network is an insurance company. Membership is not an insurance policy and cannot be considered a secondary insurance coverage or a supplement to any insurance coverage. Neither the Company nor AirMedCare Network will be responsible for payment for services provided by another ambulance service.

4. Membership starts 15+ days after the Company receives a complete application with full payment; however, the waiting period will be waived for unforeseen events occurring during such time. Members must be natural persons. Memberships are non-refundable and non-transferable.

5. Some state laws prohibit Medicaid beneficiaries from being offered membership or being accepted into membership programs. By applying, members certify to the Company that they are not Medicaid beneficiaries.

6. These terms and conditions supersede all previous terms and conditions between a member and the Company or AirMedCare Network, including any other writings, or verbal representations, relating to the terms and conditions of membership.

*Air Evac EMS, Inc. / Guardian Flight LLC / Med-Trans Corporation / REACH Air Medical Services, LLC — These terms and conditions apply to all AirMedCare Network participating provider membership programs, regardless of which participating provider transports you.

†In Nebraska, waiting periods are not allowed; however, a member cannot purchase a membership at the time of transport.

Important Information

If our network provider in your area is not requested for your transport or if it is not available for any reason such as being committed on another patient flight or out of service for weather or maintenance-related issues, you may need to be transported by a ground ambulance or air out of network air ambulance provider. Your membership only covers flights by AirMedCare Network participating providers so you will be responsible for payment to other service providers. It is important that you get the medical care you need as quickly as possible regardless of who provides the transport, so you have the best chance for survival and degree of recovery.
