Sabine County Commissioner's Court
Sabine County, Hemphill, Texas 75948

Dear Court,

The Sabine County Community Partners would like to thank you for the seat belt grant of last year which was very successful. We would like to have another seat belt campaign. The process is by application and verified as a Sabine County residence. The seats are housed in the Health and Human service Building. The staff is assisting us in this due to we are 100% volunteered. Any information needed we will be happy to assist. Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Linda Leger".
