PROPOSED ROAD NAME ADOPTION REQUEST

The Texas Legislature has granted Texas County Commissioners Courts authority to adopt road names and structure addresses for unincorporated areas in counties where no formal addressing system has been established. The Sabine County Commissioners Court has appointed a 9-1-1 Coordinator to propose road names for adoption to facilitate implementation of a county-wide addressing system.

As roads in a particular area of the county have been verified and named, a map will be produced indicating the proposed road names and the location of each road. The map will be available for public inspection in the office of the County Judge during regular business hours at least two (2) days prior to a public hearing to be held by the Commissioners Court.

After the public hearing, the 9-1-1 Coordinator will make any necessary changes to the map and present it to the Commissioners Court for formal adoption at the next regularly scheduled meeting.

This form will allow you to make suggestions to the 9-1-1 Coordinator regarding the proposed name of a road. Please complete this form and return it to the Office of the County Judge, Attention: 9-1-1 Coordinator, prior to the scheduled Public Hearing regarding the subject road.

Proposed Road Name Albertine Trail or Albertine Trl

Suggested Name Albertine Trl

Reason for naming road

The current road is and will remain a Forest Service Road. Recently, a ten (10) acre track was purchased by local Sabine County family with hopes of moving a home on the parcel for their primary residence. The most logical and pragmatic easement to the property is through this Forest Service Road as it terminates on their property line. The road measures some 1492 feet long travelling northeast to east off of Scrappin Vly and will be maintained by Sabine County Precinct 2. The road is being named in memory of Albertine E Bowie Turkson, a notable Texan with close family ties to Sabine County. Ms., Turkson passed in 2020 but her estate still owns property in Sabine County near the purposed road.
