Re: Road Closure Request for:
FM 1 at Donahue Creek
Sabine County, CSJ: 0064-05-066

Dear Judge Melton,

The Texas Department of Transportation is preparing plans to replace the existing bridge on FM 1 at Donahue Creek (NBI # 112020006405054). This project is scheduled to let to contract in March of 2025 with construction beginning in the weeks following.

At this time, the bridge remains in operation. TxDOT plans to close this bridge to all traffic for approximately six months while the new bridge is built to eliminate the need to construct an expensive temporary detour and to minimize right-of-way acquisition.

Please indicate your concurrence, or non-concurrence with an explanation, and return this letter. The bridge location is shown on the attached map. Your assistance in this matter is greatly appreciated. You can reach me at 936-433-4317 or by email at Mitchell.Randall@txdot.gov if you have any questions about this project.

Sincerely,

Mitchell L. Randall, P.E.
Mitchell L. Randall, P.E.
Lufkin District Bridge Engineer

☒ I concur with the road closure

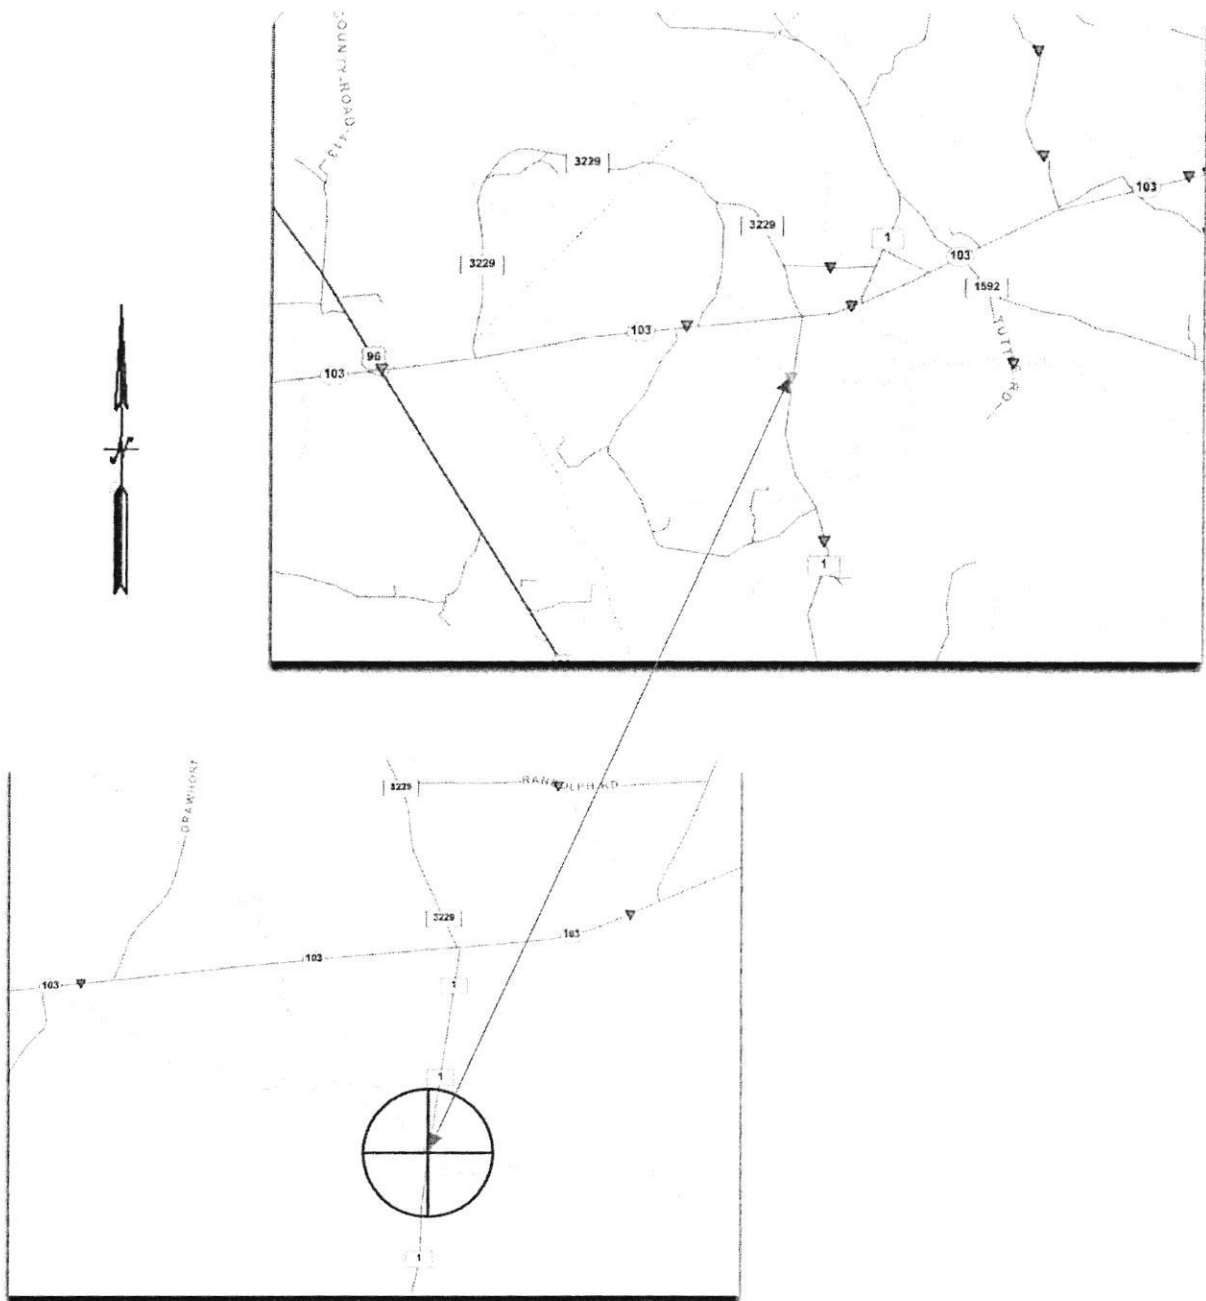

☐ I do not concur with the road closure due to the following:
