

Notice

Cattle Guard Removal

Sabine County Commissioner's Court records show Sutton Place as a county maintained 3rd class road. Ours records also show Sutton Place road to be in Road & Bridge Pct. 1 and Pct. 4 with a total length of 1.87 mile.

Sutton Place road currently has cattle guards, which are non-conforming.

According to Texas Transportation Code 251.0096 (b) non-conforming cattle guards may be removed if approved by Commissioner's Court.

It is recommended by James Lowe, Commissioner Pct. 4, to remove any or all dilapidated cattle guards on Sutton Place road. All property owners will be notification by certified mailed.
