

Bridge Work

112020AA0191002

McMahan's Chapel Road (south end)

.4 mile North of Hwy 103

Pct. 3 Commissioner Jacks desires to remove 1 flatcar structure. This flatcar extends 46 feet x 14 feet.

Commissioner proposes to:

1. Replace with a 10' X 48' culvert.
2. Work by Pct. 3 Road & Bridge crew.
- 3. Commissioner plans to hire Attoyac Rock,LLC to assist.
- 4. Commissioner anticipates 3 work days to conclude culvert installation project.
5. Commissioner will post "road closure notices" at each end of bridge 2 weeks prior to closing.
6. The removed flatcar will be sold for scrape.
