Musser Grant

To whom it may concern:

We wish to recommend the Actor's Studio Inc. aka Hemphill Little Theatre for the Musser Grant.

This establishment has served our community since November 2021. We have received many great reviews of their endeavors. Most of our community leaders have had the pleasure of attending many of the performances. This enterprising group has hand carved a special form of culture in our small rural area, thus transmitting to the next generation. They have brought great joy and provided a unique atmosphere for a family friendly environment. Aside from the performing arts, this little theatre provides musical performances that delights all ages. In addition to bringing culture and arts to our part of deep east Texas, they unite both youth and adults.

Your contribution will make a positive impact on many lives. Thank you.

Sincerely,

Daryl Melton
