PROPOSED ROAD NAME ADOPTION REQUEST

The Texas Legislature has granted Texas County Commissioners Courts authority to adopt road names and structure addresses for unincorporated areas in counties where no formal addressing system has been established. The Sabine County Commissioners Court has appointed a 9-1-1 Coordinator to propose road names for adoption to facilitate implementation of a county-wide addressing system.

As roads in a particular area of the county have been verified and named, a map will be produced indicating the proposed road names and the location of each road. The map will be available for public inspection in the office of the County Judge during regular business hours at least two (2) days prior to a public hearing to be held by the Commissioners Court.

After the public hearing, the 9-1-1 Coordinator will make any necessary changes to the map and present it to the Commissioners Court for formal adoption at the next regularly scheduled meeting.

This form will allow you to make suggestions to the 9-1-1 Coordinator regarding the proposed name of a road. Please complete this form and return it to the Office of the County Judge, Attention: 9-1-1 Coordinator, prior to the scheduled Public Hearing regarding the subject road.

Proposed Road Name Mason Creek Road

Suggested Name Mason Creek Rd

Reason for naming road

The road name adoption request is being submitted to support a new proposed subdivision named HAMILTON LANDING AT MASON CREEK, in the area of Pineknot Ln and Southwood Dr. Like Pineknot Ln, the road will be designated as a Private Road that remains open to the public. The length of the road is 1474 feet with a 30 foot wide roadway and a 10 foot utility easement on each side, non-county maintained.
