Hi again,

The planning committee will set a general theme for the at each year that is related to the Pineywoods region or Deep East Texas.

The 2025 theme is "Life in the Pines"

The event mission statement is attached.

Our goal is to highlight ETX Culture (and our neighbors across the river are welcome to participate). The Savor ETX event will be the signature annual event for the Pineywoods Artisan Guild (a non-profit started by ByLocal).

Please let me know if you, Judge Melton, or the commissioners would like to add anything or participate in any fashion.

Have a great day,

Chris
