RE: CCTV System

Sabine County Tax Assessor-Collector

Thank you for giving me the opportunity to provide you with a quote for cameras at your facility.

The cost to install the CCTV system is \$ 5,438.16 plus tax (if applicable).

The equipment consists of (1) 16 channel NVR w/ 4TB hard drive storage, (7) PoE, 8MP dome cameras, (3) outdoor 5MP bullet cameras, mounting brackets, labor, and wire.

The service agreement is optional, but well worth the investment. It is \$65.03 per month but for this we will come out once a year and inspect all equipment, clean lens, reposition if needed, and test to make sure everything is working properly.

I have included the data sheets for this equipment

If you need additional information, you can call me or text me anytime at the number below.

Sincerely,

Jennifer L Appleman
