Commissioner's Court had requested I sell a 2012 Excavator Gradall model XL3100 I listed the item with Gov Deals on August 4, 2025 with a \$20,000.00 reserve, the highest bid was for \$5,000.00. I then sent back for auction with Gov deals on August 21, 2025 again with the \$20,000.00 reserve and the highest bid was for \$6,000.00.

I am requesting guidance from Commissioner's Court on what they would like to do with this Gradall.
