GENERAL AFFIRMATIONS

TO THE EXTENT APPLICABLE, Subrecipient affirms and agrees to the following, without exception:

1. Subrecipient represents and warrants that, in accordance with Section 2155.005 of the Texas Government Code, neither Subrecipient nor the firm, corporation, partnership, or institution represented by Subrecipient, or anyone acting for such a firm, corporation, partnership, or institution has (1) violated any provision of the Texas Free Enterprise and Antitrust Act of 1983, Chapter 15 of the Texas Business and Commerce Code, or the federal antitrust laws, or (2) communicated directly or indirectly the contents of this Contract or any solicitation response upon which this Contract is based to any competitor or any other person engaged in the same line of business as Subrecipient.*
2. Subrecipient shall not assign its rights under the Contract or delegate the performance of its duties under the Contract without prior written approval from the GLO. Any attempted assignment or delegation in violation of this provision is void and without effect. This provision does not apply to subcontracting.
3. If the Contract is for services, Subrecipient shall comply with Section 2155.4441 of the Texas Government Code, requiring the purchase of products and materials produced in the State of Texas in performing service contracts, but for contracts subject to 2 C.F.R. 200, only to the extent such compliance is consistent with 2 C.F.R. 200.319.
4. Under Section 231.006 of the Family Code, the vendor or applicant [Subrecipient] certifies that the individual or business entity named in this Contract, bid or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate, in addition to other remedies set out in Section 231.006(f) of the Family Code.*
5. A bid or an application for a contract, grant, or loan paid from state funds must include the name and social security number of the individual or sole proprietor and each partner, shareholder, or owner with an ownership interest of at least 25 percent of the business entity submitting the bid or application. Subrecipient certifies it has submitted this information to the GLO.*

maintain records and make them available to the GLO as evidence of Subrecipient's compliance with the required controls.

9. Subrecipient represents and warrants that it has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the Contract.

11. Upon request of the GLO, Subrecipient shall provide copies of its most recent business continuity and disaster recovery plans.
12. If the Contract is for consulting services governed by Texas Government Code Chapter 2254, Subchapter B, in accordance with Section 2254.033 of the Texas Government Code, relating to consulting services, Subrecipient certifies that it does not employ an individual who has been employed by the GLO or another agency at any time during the two years preceding the Subrecipient's submission of its offer to provide consulting services to the GLO or, in the alternative Subrecipient, in its offer to provide consulting services to the GLO, disclosed the following: (i) the nature of the previous employment with the GLO or other state agency; (ii) the date the employment was terminated; and (iii) the annual rate of compensation for the employment at the time of its termination.*
13. If the Contract is not for architecture, engineering, or construction services, then except as otherwise provided by statute, rule, or regulation, Subrecipient must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve any dispute arising under the Contract. NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR, IF APPLICABLE, OF GOVERNMENTAL IMMUNITY BY SUBRECIPIENT.
14. If the Contract is for architecture, engineering, or construction services, then subject to Texas Government Code Section 2260.002 and Texas Civil Practice and Remedies Code Chapter 114, and except as otherwise provided by statute, rule, or regulation, Subrecipient shall use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve all disputes arising under this Contract. Except as otherwise provided by statute, rule, or regulation, in accordance with the Texas Civil Practice and Remedies Code, Section 114.005, claims encompassed by Texas Government Code, Section 2260.002(3) and Texas Civil Practice and Remedies Code Section 114.002 shall be governed by the dispute resolution process set forth below in subsections (a)-(d). NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR, IF APPLICABLE, OF GOVERNMENTAL IMMUNITY BY SUBRECIPIENT.
 - a. Notwithstanding Texas Government Code, Chapter 2260.002(3) and Chapter 114.012 and any other statute or applicable law, if Subrecipient's claim for breach of contract cannot be resolved by the Parties in the ordinary course of business, Subrecipient may make a claim against the GLO for breach of contract and the GLO may assert a counterclaim against Subrecipient as is contemplated by Texas Government Code, Chapter 2260, Subchapter B. In such event, Subrecipient must provide written notice to the GLO of a claim for breach of the Contract not later than the 180th day after the date

* This section does not apply to a contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

of the event giving rise to the claim. The notice must state with particularity: (1) the nature of the alleged breach; (2) the amount Subrecipient seeks as damages; and (3) the legal theory of recovery.

- b. The chief administrative officer, or if designated in the Contract, another officer of the GLO, shall examine the claim and any counterclaim and negotiate with Subrecipient in an effort to resolve them. The negotiation must begin no later than the 120th day after the date the claim is received, as is contemplated by Texas Government Code, Chapter 2260, Section 2260.052.
 - c. If the negotiation under paragraph (b) above results in the resolution of some disputed issues by agreement or in a settlement, the Parties shall reduce the agreement or settlement to writing and each Party shall sign the agreement or settlement. A partial settlement or resolution of a claim does not waive a Party's rights under this Contract as to the parts of the claim that are not resolved.
 - d. If a claim is not entirely resolved under paragraph (b) above, on or before the 270th day after the date the claim is filed with the GLO, unless the Parties agree in writing to an extension of time, the Parties may agree to mediate a claim made under this dispute resolution procedure. This dispute resolution procedure is Subrecipient's sole and exclusive process for seeking a remedy for an alleged breach of contract by the GLO if the Parties are unable to resolve their disputes as described in this section.
 - e. Nothing in the Contract shall be construed as a waiver of the state's or the GLO's sovereign immunity, or, if applicable, the governmental immunity of Subrecipient. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas or Subrecipient. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas or, if applicable, of Subrecipient under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies or immunities or be considered as a basis for estoppel. The GLO does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract. Subrecipient does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the Subrecipient, prior to or subsequent to entering into this Contract.
 - f. Except as otherwise provided by statute, rule, or regulation, compliance with the dispute resolution process provided for in Texas Government Code, Chapter 2260, subchapter B and incorporated by reference in subsection (a)-(d) above is a condition precedent to the Subrecipient: (1) filing suit pursuant to Chapter 114 of the Civil Practices and Remedies Code; or (2) initiating a contested case hearing pursuant to Subchapter C of Chapter 2260 of the Texas Government Code.
15. If Chapter 2271 of the Texas Government Code applies to this Contract, Subrecipient verifies that it does not boycott Israel and will not boycott Israel during the term of the Contract.*
16. This Contract is contingent upon the continued availability of lawful appropriations by the Texas Legislature. Subrecipient understands that all obligations of the GLO under this

Contract are subject to the availability of funds. If such funds are not appropriated or become unavailable, the GLO may terminate the Contract. The Contract shall not be construed as creating a debt on behalf of the GLO in violation of Article III, Section 49a of the Texas Constitution.

17. Subrecipient certifies that it is not listed in the prohibited vendors list authorized by Executive Order 13224, "Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism", published by the United States Department of the Treasury, Office of Foreign Assets Control.
18. In accordance with Section 669.003 of the Texas Government Code, relating to contracting with the executive head of a state agency, Subrecipient certifies that it is not (1) the executive head of the GLO, (2) a person who at any time during the four years before the effective date of the Contract was the executive head of the GLO, or (3) a person who employs a current or former executive head of the GLO.
19. Subrecipient represents and warrants that all statements and information prepared and submitted in connection with this Contract are current, complete, true, and accurate. Submitting a false statement or making a material misrepresentation during the performance of this Contract is a material breach of contract and may void the Contract or be grounds for its termination.
20. Pursuant to Section 2155.004(a) of the Texas Government Code, Subrecipient certifies that neither Subrecipient nor any person or entity represented by Subrecipient has received compensation from the GLO to participate in the preparation of the specifications or solicitation on which this Contract is based. Under Section 2155.004(b) of the Texas Government Code, Subrecipient certifies that the individual or business entity named in this Contract is not ineligible to receive the specified Contract and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate. This Section does not prohibit Subrecipient from providing free technical assistance.*
21. In accordance with Section 2252.901 of the Texas Government Code, for the categories of contracts listed in that section, Subrecipient represents and warrants that none of its employees including, but not limited to, those authorized to provide services under the contract, were employees of the GLO during the twelve (12) month period immediately prior to the date of execution of the contract. Solely for professional services contracts as described by Chapter 2254 of the Texas Government Code, Subrecipient further represents and warrants that if a former employee of the GLO was employed by Subrecipient within one year of the employee's leaving the GLO, then such employee will not perform services on projects with Subrecipient that the employee worked on while employed by the GLO.*
22. The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to any Party.

Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Subrecipient understands that the GLO will comply with the Texas Public Information Act (Texas Government Code Chapter 552, the "PIA"), as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas (the "Attorney General"). Information, documentation, and other material in connection with this Contract may be subject to public disclosure pursuant to the PIA. In accordance with Section 2252.907 of the Texas Government Code, Subrecipient is required to make any information created or exchanged with the GLO or the State of Texas pursuant to the Contract, and not otherwise excepted from disclosure under the PIA, available to the GLO in portable document file (".pdf") format or any other format agreed upon between the Parties that is accessible by the public at no additional charge to the GLO or the State of Texas. By failing to mark any information that Subrecipient believes to be excepted from disclosure as "confidential" or a "trade secret," Subrecipient waives any and all claims it may make against the GLO for releasing such information without prior notice to Subrecipient. The Attorney General will ultimately determine whether any information may be withheld from release under the PIA. Subrecipient shall notify the GLO's Office of General Counsel within twenty-four (24) hours of receipt of any third-party written requests for information and forward a copy of said written requests to PIALegal@glo.texas.gov. If a request for information was not written, Subrecipient shall forward the third party's contact information to the above-designated e-mail address.

* This section does not apply to a contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

35. The GLO does not tolerate any type of fraud. GLO policy promotes consistent, legal, and ethical organizational behavior by assigning responsibilities and providing guidelines to enforce controls. Any violations of law, agency policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken. Subrecipient must report any possible fraud, waste, or abuse that occurs in connection with the Contract to the GLO in the manner prescribed by the GLO's website, <https://www.glo.texas.gov>.

38. Subrecipient certifies that it does not require its customers to provide any documentation certifying the customer's COVID-19 vaccination or post-transmission recovery on entry to, to gain access to, or to receive service from Subrecipient's business. Subrecipient acknowledges that such a vaccine or recovery requirement would make Subrecipient ineligible for a state-funded contract.
39. Pursuant to Government Code Section 2275.0102, Subrecipient certifies that neither it nor its parent company, nor any affiliate of Subrecipient or its parent company, is: (1) majority owned or controlled by citizens or governmental entities of China, Iran, North Korea, Russia, or any other country designated by the Governor under Government Code Section 2275.0103, or (2) headquartered in any of those countries.*
40. If Subrecipient is required to make a verification pursuant to Section 2276.002 of the Texas Government Code, Subrecipient verifies that Subrecipient does not boycott energy companies and will not boycott energy companies during the term of the Contract. If Subrecipient does not make that verification, Subrecipient must notify the GLO and state why the verification is not required.*
41. If Subrecipient is required to make a verification pursuant to Section 2274.002 of the Texas Government Code, Subrecipient verifies that it (1) does not have a practice, policy, guidance, or directive that discriminates against a "firearm entity" or "firearm trade association" as those terms are defined in Texas Government Code section 2274.001 and (2) will not discriminate during the term of the Contract against a firearm entity or firearm trade association. If Subrecipient does not make that verification, Subrecipient must notify the GLO and state why the verification is not required.*
42. If Subrecipient is a "professional sports team" as defined by Texas Occupations Code Section 2004.002, Subrecipient will play the United States national anthem at the beginning of each team sporting event held at Subrecipient's home venue or other venue controlled by Subrecipient for the event. Failure to comply with this obligation constitutes a default of this Contract, and immediately subjects Subrecipient to the penalties for default, such as repayment of money received or ineligibility for additional money. In addition, Subrecipient

Except as provided by Section 552.374(c) of the Texas Government Code, the requirements of Subchapter J, Chapter 552, Government Code, may apply to the Contract and Subrecipient agrees that the Contract may be terminated if Subrecipient knowingly or intentionally fails to comply with a requirement of that subchapter.*
44. If the Contract is for consulting services governed by Chapter 2254 of the Texas Government Code, Subrecipient, upon completion of the Contract, must give the GLO a compilation, in a digital medium agreed to by the Parties, of all documents, films, recordings, or reports Subrecipient compiled in connection with its performance under the Contract.*
45. Subrecipient represents and warrants that it is not engaged in business with Iran, Sudan, or a foreign terrorist organization, as prohibited by Section 2252.152 of the Texas Government Code.*
46. Subrecipient represents and warrants that neither it; any of its holding companies, subsidiaries, or subcontractors; nor any holding companies or subsidiaries of its subcontractors is: (1) listed in Section 889 of the National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232); (2) listed in Section 1260H of the National Defense Authorization Act for Fiscal Year 2021 (Pub. L. 116-283); or (3) owned by the government of, or controlled by any governing or regulatory body located in, a country on the U.S. Department of Commerce's foreign adversaries list under 15 C.F.R. Section 791.4, and that it shall promptly notify the GLO if circumstances relevant to this provision change during the Contract term. Subrecipient shall ensure that this provision concerning the representation and warranty is included in any subcontract it awards.
47. If subject to 2 C.F.R. 200.216, Subrecipient shall not obligate or expend funding provided under this Contract to: (a) procure or obtain; (b) extend or renew a contract to procure or obtain; or (c) enter into a contract to procure or obtain covered telecommunications equipment or services, as described in Public Law 115-232, Section 889, including systems that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.
48. To the extent Texas Government Code Chapter 2252, Subchapter G applies to the Contract, any iron or steel product Subrecipient uses in its performance of the Contract that is produced through a manufacturing process, as defined in Section 2252.201(2) of the Texas Government Code, must be produced in the United States.

* This section does not apply to a contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

49. If subject to 2 C.F.R. 200.217, Subrecipient shall not discharge, demote, or otherwise discriminate against an employee as a reprisal for lawfully disclosing information that the employee reasonably believes is evidence of gross mismanagement, waste, abuse of authority, a danger to public health or safety, or a violation of law related to a Federal contract or grant. Subrecipient shall inform its employees in writing of their whistleblower rights and protections under 41 U.S.C. 4712.

* This section does not apply to a contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

GLO Information Security Appendix

1. Definitions

“Breach of Security” means any unauthorized access of computerized data that compromises the security, confidentiality, or integrity of GLO Data that is in the possession and/or control of Subrecipient (or any entity with which Subrecipient shares GLO Data as authorized herein) including data that is encrypted if the person accessing the data has the key required to decrypt the data, or a loss of control, compromise, unauthorized disclosure or access, failure to physically secure GLO Data or when unauthorized users access PII or SPI for an unauthorized purpose. The term encompasses both suspected and confirmed incidents involving GLO Data which raise a reasonable risk of harm to the GLO or an individual. A Breach of Security occurs regardless of whether caused by a negligent or intentional act or omission on part of Subrecipient and/or aforementioned entities.

“GLO Data” means any data or information, which includes PII and/or SPI as defined below, collected, maintained, and/or created by the GLO, for the purpose of providing disaster assistance to an individual, that Subrecipient obtains, accesses (via records, systems, or otherwise), receives (from the GLO or on behalf of the GLO), or uses in the performance of the Contract or any documents related thereto. GLO Data does not include other information that is lawfully made available to Subrecipient through other sources.

“Personal Identifying Information” or “PII” means information that alone, or in conjunction with other information, identifies an individual as defined at Tex. Bus. & Com Code Section 521.002(a)(1).

“Sensitive Personal Information” or “SPI” means the personal information identifying an individual as defined at Tex. Bus. & Com. Code Section 521.002(a)(2).

All defined terms found in the Contract shall have the same force and effect, regardless of capitalization.

2. Security and Privacy Compliance

- 2.1. Subrecipient shall keep all GLO Data received under the Contract and any documents related thereto strictly confidential.
- 2.2. Subrecipient shall comply with all applicable federal and state privacy and data protection laws, as well as all other applicable regulations.
- 2.3. Subrecipient shall implement administrative, physical, and technical safeguards to protect GLO Data that are no less rigorous than accepted industry practices including, without limitation, the guidelines in the National Institute of Standards and Technology (“NIST”) Cybersecurity Framework Version 1.1. All such safeguards shall comply with applicable data protection and privacy laws. Subrecipient shall provide such certification or attestation in regard to its data security practices as may be required by the GLO upon request by the GLO.
- 2.4. Subrecipient will legally bind any contractor(s) and subcontractor(s) to the same requirements stated herein and obligations stipulated in the Contract and documents related thereto. Subrecipient shall ensure that the requirements stated herein are imposed on any contractor/subcontractor of Subrecipient’s subcontractor(s).

- 2.5. With the exception of contractors and subcontractors as they are addressed in Section 2.4, Subrecipient will not share GLO Data with any third parties, except as necessary for Subrecipient's performance under the Contract and upon the express written consent of the GLO's Information Security Officer or his/her authorized designee.
- 2.6. Subrecipient will ensure that initial privacy and security training, and annual training, thereafter, is completed by its employees or contractor/subcontractors that have access to GLO Data or who create, collect, use, process, store, maintain, disseminate, disclose, dispose, or otherwise handle PII and/or SPI on behalf of the GLO. Subrecipient shall maintain and, upon request, provide documentation of training completion.
- 2.7. Any GLO Data maintained or stored by Subrecipient or any contractor/subcontractor must be stored on servers or other hardware located within the physical borders of the United States and shall not be accessed outside of the United States except as authorized in writing and utilizing methods approved by the GLO's Information Security Officer or his/her authorized designee.
- 2.8. Subrecipient shall require that all individuals allowed to access GLO Data pursuant to this Contract sign a confidentiality and non-disclosure agreement ("NDA") before being given access to GLO Data. At a minimum, the NDA shall inform all individuals of the confidential nature of the GLO Data, the security and non-disclosure requirements of this Contract, and the potential criminal penalties and civil remedies specified in federal and state laws that may result from the unauthorized disclosure of GLO Data. The NDA shall require all individuals to acknowledge that the GLO or the United States government, including the U.S. Department of Housing and Urban Development ("HUD"), will seek any remedy available, including all administrative, disciplinary, civil, or criminal action(s) or penalties, as appropriate, for any unauthorized disclosure of GLO Data. Subrecipient shall provide the GLO copies of any and all NDAs upon request or demand by the GLO.
- 2.9. Subrecipient shall use GLO Data for the sole purpose of administering the Contract.

3. Data Ownership

- 3.1. In no event shall Subrecipient obtain or develop ownership rights to any GLO Data shared under the Contract, unless specifically acknowledged and agreed to by the GLO.
- 3.2. If, at any time during the term of the Contract or upon termination of the Contract, whichever occurs first, any part of the GLO Data, in any form, provided to Subrecipient ceases to be necessary for Subrecipient's performance under the Contract, Subrecipient shall within fourteen (14) days thereafter (a) securely return such GLO Data to the GLO and/or (b) at the GLO's written request, destroy, uninstall, and/or remove all copies of data in Subrecipient's possession or control and inform the GLO in writing of the completion of the task and method(s) utilized. If the return of GLO Data is infeasible, as mutually determined by the GLO and Subrecipient, the obligations set forth in this Attachment, with respect to GLO Data, shall survive termination of the Contract and Subrecipient shall prohibit any further use and disclosure of GLO Data.

4. Data Mining

- 4.1. Subrecipient shall not use GLO Data for unrelated commercial purposes, advertising or advertising-related services, or for any other purpose not explicitly authorized by the GLO in this Contract.
- 4.2. Subrecipient shall take all reasonable physical, technical, administrative, and procedural measures to ensure that no unauthorized use or access of GLO Data occurs.

5. Breach of Security

- 5.1. Subrecipient shall provide the GLO with the name and contact information for an employee of Subrecipient which shall serve as the GLO's primary security contact.
- 5.2. Upon Subrecipient's discovery of a Breach of Security or suspected Breach of Security, Subrecipient shall notify the GLO promptly, but no later than 24 hours after discovery of the Breach of Security or suspected Breach of Security. Within 72 hours, Subrecipient shall provide to the GLO, at minimum, a written preliminary report regarding the Breach or suspected Breach with root cause analysis including a log detailing the data affected.
- 5.3. Subrecipient shall submit the initial notification and preliminary report to the GLO Information Security Officer at informationsecurity@glo.texas.gov.
- 5.4. Subrecipient shall take all reasonable steps to immediately remedy a Breach of Security and prevent any further Breach of Security.
- 5.5. Subrecipient shall not inform any third party of any Breach of Security or suspected Breach of Security without first obtaining GLO's prior written consent unless such action is required by law or is limited to third party personnel that have a need to know for the sole purpose of containing or remediating the Breach of Security or suspected Breach of Security. However, while a third party may be informed of the Breach or suspected Breach for the sole purpose of containing or remediating it, no GLO Data shall be shared with such third party unless express written permission is obtained from the GLO in accordance with Section 2.5. Subrecipient will legally bind such third party to the same requirements stated herein and obligations stipulated in the Contract and documents related thereto as soon as practicable upon securing such third party to contain or remediate the Breach of Security or suspected Breach of Security.
- 5.6. Notwithstanding the remedies provided in the Contract, if a Breach of Security includes SPI, Subrecipient shall notify affected individuals of such Breach in accordance with the requirements of Tex. Bus. and Comm. Code Section 521.053 or other applicable law and shall inform the GLO of such notifications. Subrecipient shall provide affected individuals complimentary access to one (1) year of credit monitoring services.

6. Data Use and Security Agreement Requirements

- 6.1. Certain GLO Data may be subject to agreements executed between the GLO and other state or federal agencies or entities, including, but not limited to, the U.S. Department of Homeland Security, the Federal Emergency Management Agency, and HUD, that impose conditions and obligations on the usage, sharing, storage, and security of the GLO Data. If, in the performance of the Contract, Subrecipient requires access to GLO

Data protected under such an agreement, then Subrecipient shall be required to review and agree to comply with all terms, conditions, and obligations of the agreement before the GLO Data is shared with Subrecipient. As applicable, Subrecipient shall ensure any NDA required under Section 2.8, above, complies with all additional requirements imposed by the agreement.

- 6.2. The terms and conditions imposed under a data use and security agreement shall be in addition to all other terms and conditions contained in this Information Security Appendix, which remain applicable. In the event of a conflict between terms and conditions of the agreement and this Information Security Appendix, the more stringent term and/or condition shall apply.

7. Right to Audit

- 7.1. Upon the GLO's request and to confirm Subrecipient's compliance with this Attachment, Subrecipient grants the GLO, or a GLO-contracted vendor, permission to perform an assessment, audit, examination, investigation, or review of all controls in Subrecipient's, or Subrecipient's contractor/subcontractor's, physical and/or technical environment in relation to GLO Data. Subrecipient shall fully cooperate with such assessment by providing access to knowledgeable personnel, physical premises, documentation, infrastructure, and application software that stores, processes, or transports GLO Data. In lieu of a GLO-conducted assessment, audit, examination, investigation, or review, Subrecipient may supply, upon GLO approval, the following reports: SSAE18, ISO/ICE 27001 Certification, FedRAMP Certification, PCI Compliance Report, TXRAMP Certification, or similar attestations or third-party certifications. Subrecipient shall ensure that this clause concerning the GLO's authority to assess, audit, examine, investigate, or review is included in any contract/subcontract that Subrecipient awards.
- 7.2. At the GLO's request, Subrecipient shall promptly and accurately complete a written information security questionnaire provided by the GLO regarding Subrecipient's business practices and information technology environment in relation to GLO Data and the GLO shall consider such information to be confidential to the extent allowed by law.
