Subj: Retirement

I just got off the phone with TCDRS and completed the process for retirement. Officially my retirement is the last day of July 2026; however, my last official work day will be Wednesday July 29th. I've enjoyed serving as the CVSO. Now it's time to stay home after serving others in one job or another since I was (17 yoa)!

Respectfully

A handwritten signature in black ink, appearing to read "Tom Warren", with a long horizontal line extending to the right.
