RE: CJAC Prioritization Ranking & Funding Recommendations
Grant #5017403

Dear JAG Grant Applicant,

The DETCOG, Criminal Justice Advisory Committee met on April 17, 2026, to review, score and prioritize Criminal Justice Grant Applications submitted through the Governor's Office for consideration of funding under this Funding Source. Your Grant Application was ranked **#4**. The CJAC has recommended that this project be partially funded in the amount of **\$60,576.34 or Fully Fund if additional funds become available** and that recommendation was accepted and approved by the DETCOG Board of Directors on April 23, 2026.

After the CJAC prioritizes the grant applications and the COG's governing body approves the priority listing, the COG submits the priority listing to the PSO. Based upon the COG's priority listing, the PSO will verify the eligibility, reasonableness and cost-effectiveness strategy of the proposed project, and the availability of funding, and will render a final funding decision on these grant applications. The COG will notify applicants of any changes in the funding recommendations.

Please feel free to reach out to us if you have any questions or concerns. Thank you & Good Luck,
