To Whom It May Concern,

On behalf of Coullion's Cajun Food, we respectfully request permission to utilize the parking lot next to the Administration Building in the Square in Hemphill on the following dates:

- Saturday, June 13, 2026
- Saturday, July 18, 2026

We are requesting use of the space for daytime setup of our food trailer in order to offer an additional food option to visitors and the local community during activities taking place in the Square area.

Coullion's Cajun Food already holds the required permit to operate within the area. Our setup would be temporary for the day only, and we would ensure the area is kept clean and left in good condition following operations. We are happy to comply with any additional requirements or guidelines associated with use of the property.

We appreciate your consideration and look forward to the opportunity to serve the community.

Sincerely,

Tammy VanZandt
Coullion's Cajun Food
409-433-8827

Tabled till June 11th
