Honorable Judge Melton
Sabine County Judge
201 Main St
Hemphill, TX 75948

Dear Judge Daryl Melton and John Brewton,

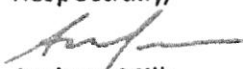

As both of you are aware, we have entered the commercialization phase of our newly constructed park known as Pendleton Park. Already, Sabine County citizens and guests of the same are using and enjoying this modern facility for fishing, boating, picnics, family gatherings and outdoor entertainment. As we continue to build and develop this property, we are more than confident it will support your goals of making Sabine County a destination for tourism.

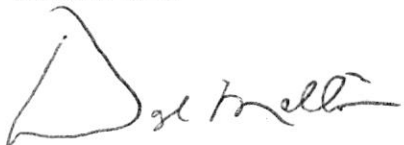

When we purchased the land, we assumed three private roads that were previously useful for a RV park. These roads do not support the goals and aspirations of the SRATX and in fact, we believe could hinder operations particularly in an emergency situation causing confusion for emergency responders. For this reason, we request that the County and NG 911 services dissolve and remove these roads from the official emergency management map. Specifically, the roads are:

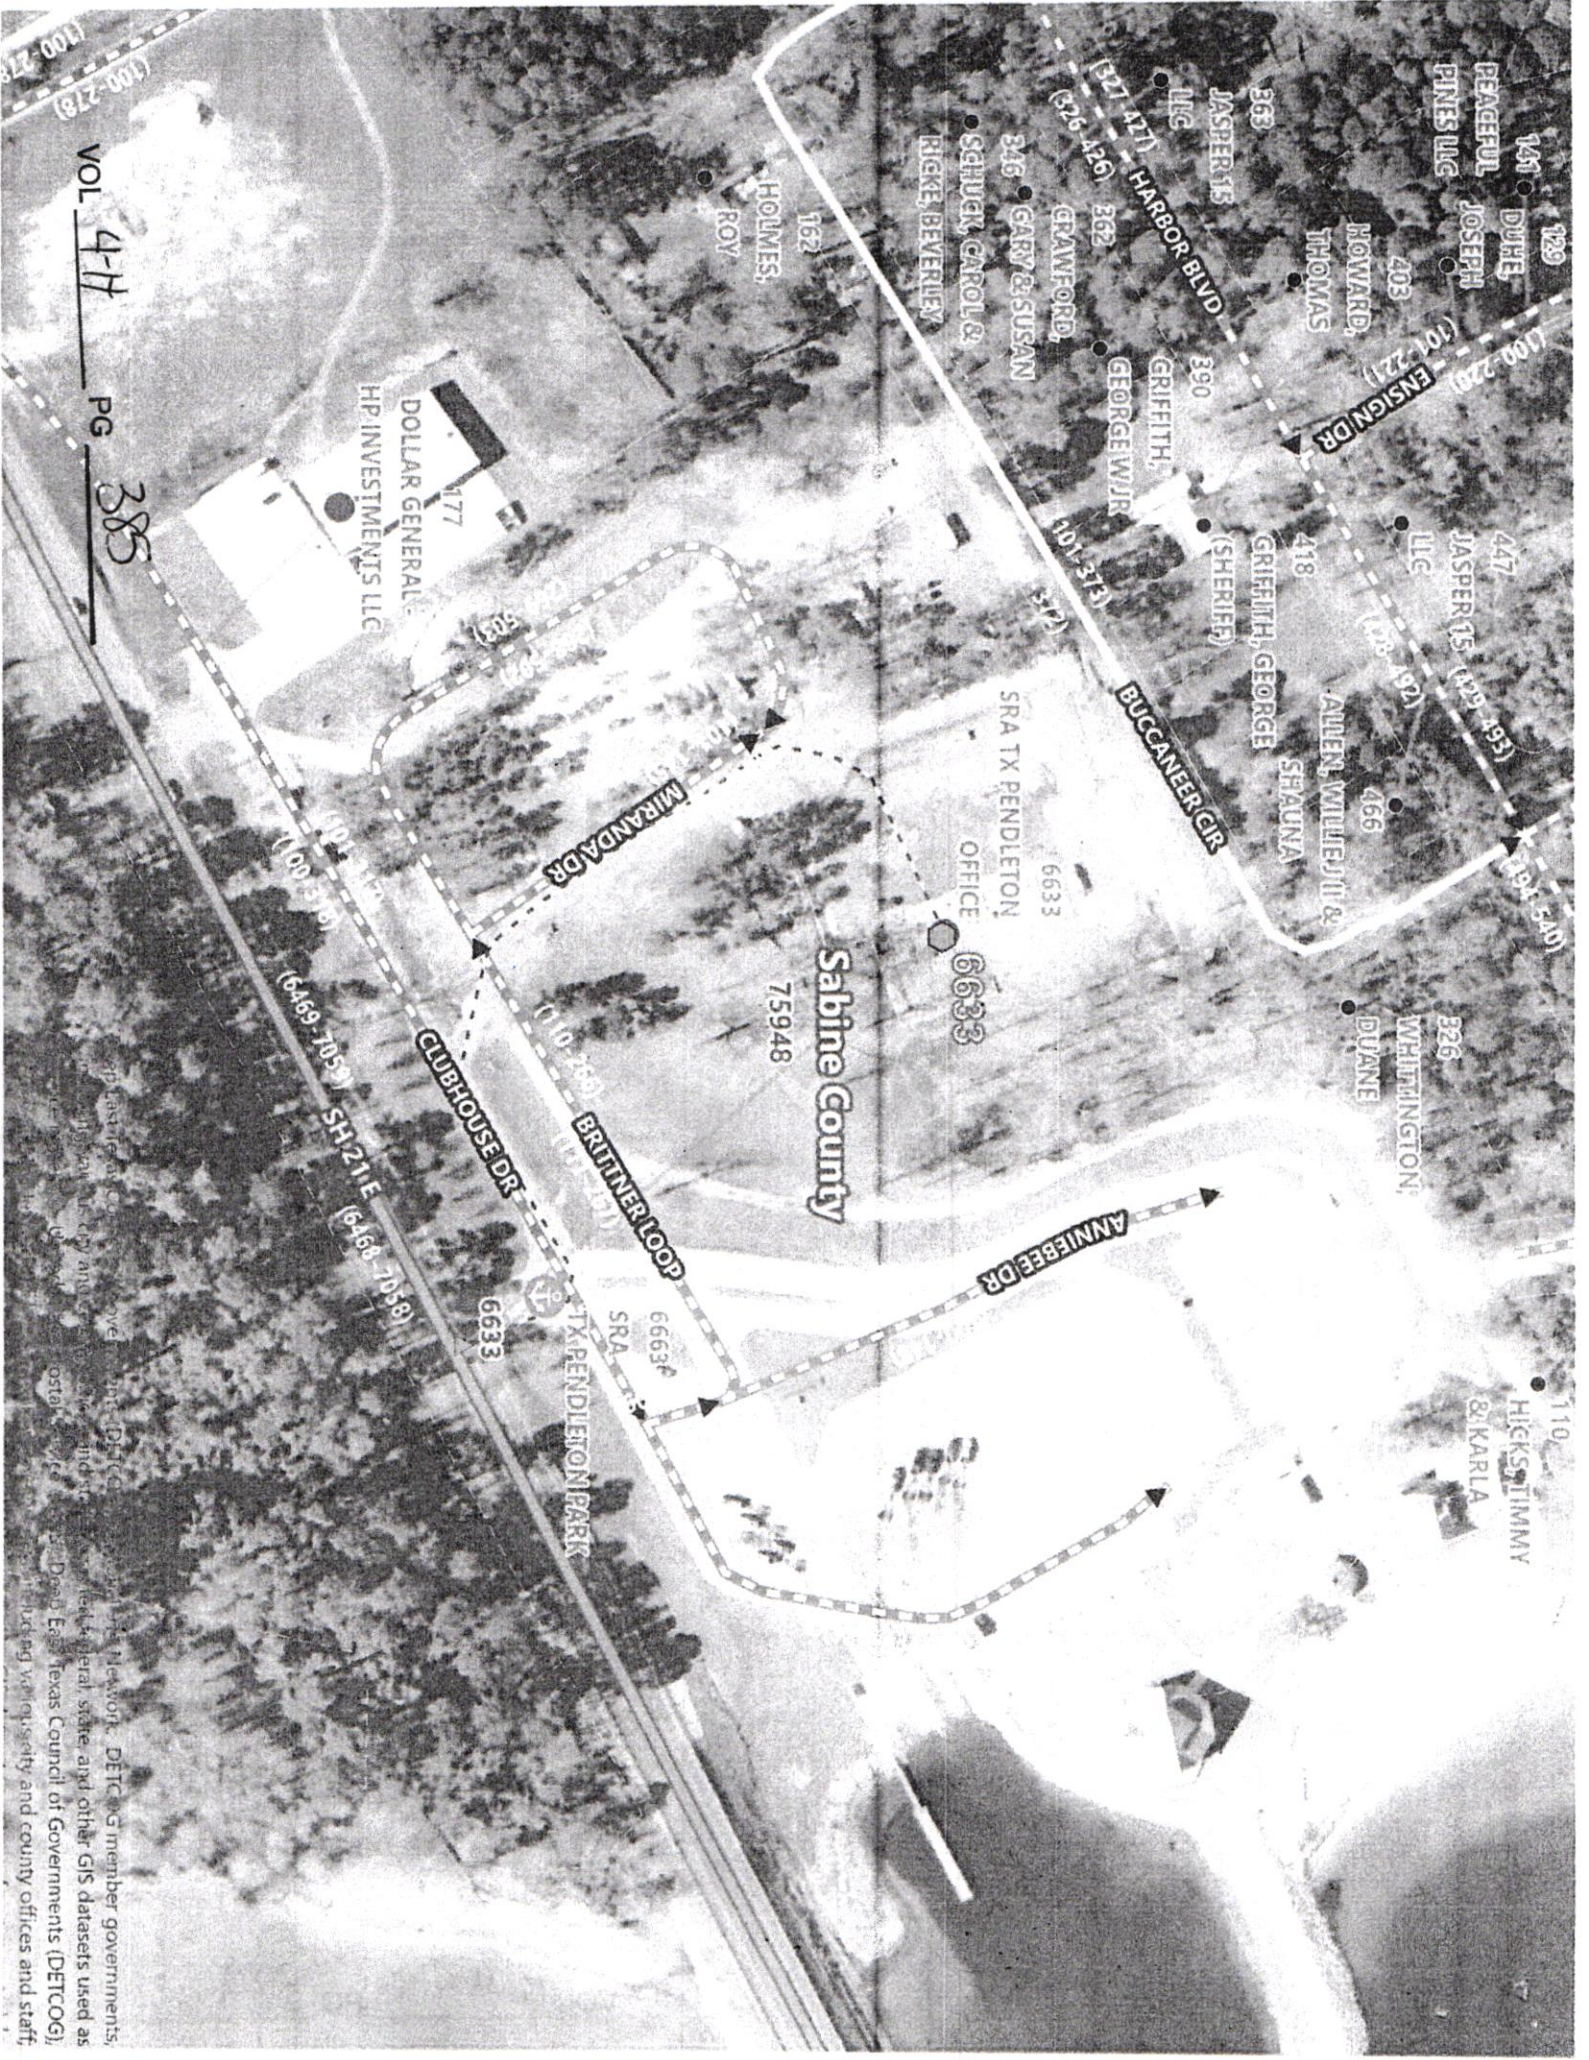

Miranda Dr.
Brittner Loop
Anniebee Dr.

Thank you for your assistance and attention to our request.

Respectfully,

Andrew Mills
